

Good News Limpes But Inspires Hope

By The Associated Press
America, said President Nixon in his inaugural address, has "legions of the concerned and committed" who by "small, splendid efforts" can "build a great cathedral of the spirit."
How busy were these legions during inauguration week?
An AP survey turned up a fine crop of small, splendid efforts. As usual, they didn't make the headlines. English playwright Phillip Massinger said in 1630

what remains eminently true today: "Ill news, madam, are swallow-winged, but what's good walks on crutches."
Some of the good things that happened in America in the seven days following the President's speech:
★ ★ ★
In Portland, Ore., Yoke Leim, 6, hospitalized with terminal leukemia, asked for some cotton candy. Her father, Yoe T. Liem, remembered that the concession

stand at the zoo makes the confection and offered to buy all it had on hand.
Instead, Ken Lewis of the zoo staff took the machine to the hospital, set it up in Yoke's ward, and spun out free candy for all of the 20 little patients allowed to eat it.
★ ★ ★
In Sioux Falls, S.D., the family of 18-year-old Karen Parker needed \$35,000 to pay for transplantation of a kidney from her

father.
Signs reading "Care for Karen" went up all over town. By the end of the week \$27,320 in donations had been received.
★ ★ ★
In Little Rock, Ark., \$35,000 was required to finance a kidney transplant for Mrs. Brenda Shuffield Andry, 19.
Members of the Arkansas State Legislature agreed to kick in a day's pay apiece. By week's end there was \$28,000 in

the kitty with more still coming in.
"What can we say for something this wonderful?" asked Brenda's father, A. J. Shuffield.
★ ★ ★
In Philadelphia, Peter Jaskel, 19-year-old Villanova University freshman, plunged into the Delaware River in near freezing weather to rescue a driver whose car skidded down an embankment.
"There was nothing else I

could do under the circumstances," declared Jeskel.
★ ★ ★
In Washington, the Rev. Henry Breul set up a "Parents of Hippies" association at St. Thomas Episcopal church to provide condolence, guidance and counsel for mothers and fathers whose kids have turned themselves on and their elders off.
One graying mother whose son is lost among the flower

children reported: "I found out I wasn't alone and that life goes on."
★ ★ ★
In New Lenox, Ill., the 557 students of Roman Catholic Providence High School did not despair when its closing seemed imminent because of a budget deficit. They announced they had raised \$30,000 and cash in pledges and were confident they could keep Providence open for at least the next three years.

Pat Hayes Dies At 73

Harold C. Hayes — whom everyone in Escanaba called "Pat" — died today in St. Francis Hospital at the age of 73.
One of Michigan's best known hotel owners, he had built a national reputation for his House of Ludington and poured into it for 30 years all the developmental efforts he could muster and he was a near genius at it.

The Ludington's dining room is the most famous in the Upper Peninsula and Pat Hayes presided over it as a meticulous host. Prince Bertil of Sweden dined there, and several Marshall Fields, the Blocks of Inland Steel, all the Governors of Michigan of Pat's time and many other notables.

State Of Superior
There has never been another hotel in the Upper Peninsula like the House of Ludington, nor a hotelier like Pat Hayes, whom it reflected in its gourmet menus and the fine napery, china and crystal of his new King George III room. He flew a flag of the State of Superior from the Ludington staff for a while to support his campaign to separate the Upper Peninsula from the rest of Michigan and create a separate state.

When that ruse waned he proposed creating a separate nation of Superior in the Upper Peninsula "so we can get foreign aid."
Mercurial, inventive, a master of public relations and a tartar for hotel perfection, he ran the House of Ludington as a personal fief and hundreds of people, alerted to its excellence in Ford Times and other publications, motored hundreds of miles to enjoy its hospitality. Many Escanabans have had the experience when traveling in far away places of identifying themselves as from Escanaba and being asked: "Do you know Pat Hayes and the House of Ludington?"

Funeral
He had been ill for months with cancer.
Surviving are his widow, the former Maurine Geinzer of Chicago, whom he wed in 1924, and their three sons, Patrick Hayes of Silver Springs, Md.; Harold C. (Micky) Hayes of Chicago and Timothy F. Hayes, of Seattle.
The body is at the Allo Funeral Home.

Health Services Promoter
An avowed private enterpriser he was a leader in the effort to provide Escanaba with a municipal electric utility. Active politically throughout his years here, he served as an appointee member of the Delta County Board of Supervisors and took extra interest in its public health program, which he headed as committee chairman.
He was very helpful to the establishment of a strong Delta-Menominee Public Health Department, and to the conversion of Pinecrest Tuberculosis Sanatorium into Pinecrest Medicare Facility.
All the earnings of the House

Weather

ESCANABA AND VICINITY—Cloudy and not so cold with snow today and tonight. New snow accumulation of 2 to 4 inches likely by Wednesday morning. High today 30, low tonight 15. Thursday's outlook mostly cloudy and colder with snow flurries. The highest temperature yesterday was 23 and the overnight low was 20. Winds southeast to south 12 to 22 mph today, shifting to northerly 15 to 24 mph tonight and north to northwest 12 to 25 mph on Wednesday. Precipitation probabilities: today, 100%; tonight, 80%; Wednesday, 50%.
Upper Peninsula — Snow this afternoon, tonight and Wednesday. A little warmer this afternoon, turning colder in the west section tonight and in the east portion Wednesday. New snow possibly accumulating two to four inches in the west section this afternoon, the central portion by tonight and in the east section Wednesday. High this afternoon in the 20s. Low to night zero to 10 above. High Wednesday 10 to 20.
Sun sets today at 4:48 p. m. Rises Wednesday at 7:14 a. m.

Harold Clement (Pat) Hayes

of Ludington were immediately plowed back into its further improvement — a modern kitchen with a bank of electric ovens, electric doors, deep pile carpeting, a glass elevator, service plates costing \$16 apiece ("Wash them by hand, girls!") Waterford crystal, Irish linens, gold punchbowls, silver venison dishes from the great homes of Merrie England.

Boston Man
He kept his Boston beginnings always with him in his manner of speech and liking of things New England. So he named the Ludington's plush new dining room for King George III, who lost the American colonies for England.

Czech Leaders Seeking Allies

PRAGUE (AP) — Leaders of Czechoslovakia's conservative Communist faction beat the odds for domestic allies today in the showdown struggle shaping up with the liberal leaders still in control of the ruling Communist party.
Sources in the liberal camp said the conservatives, assured of the support of the estimated 100,000 Soviet occupation troops, are sounding out the Czechoslovak army and the workers' militia to find out where they stand.
The liberals have the solid backing of the trade unions, the cultural organizations and the students. Although the sources said the conservative feelers have drawn no definite reaction yet, the liberals were said to be far from optimistic about the outcome of the power struggle.
A speech by conservative Deputy Premier Lubomir Strougal, made public Monday night, called on the militiamen to help the Communist party "overcome hesitations, disorientation and disintegration tendencies."
The party's policy-making Presidium met until Monday night to "assess the general political situation." It issued a communique warning that "new provocations" were expected.
Prague remained tense as new reports came in of attempted self-immolations in the wake of student Jan Palach's suicide by fire.
The latest was a 17-year-old boy in Cheb, close to the West German border. He suffered second-degree burns Sunday before rescuers put out the fire. It was not known whether his motive was political.

Harold Clement Hayes — his middle name was for Pope Clement — he was born Oct. 27, 1897 in Dorchester Heights, South Boston, the son of Mr. and Mrs. Timothy Hayes. His father was supervisor of bridges and ferries for the City of Boston. Pat went to Boston Latin School.

He was in the first ground school class of the Canadian Air Force in World War I at the University of Toronto when an Irish classmate named Noonan, who'd been thrown out of Notre Dame University for burning a street car (in days before campus permissiveness), gave him his nickname.

He was leader of Squadron 64 and Noonan said: "Who ever heard of a squadron leader named Harold? You're Pat!" He flew Sopwith Camels and then SE5's.
Harold Hayes joined the Canadian Air Force on Jan. 16, 1918, was commissioned a lieutenant and arrived in France Apr. 13, 1918. He served with the 73rd Squadron May 17-June 13, and with the 64th Squadron from Sept. 8, returning to Canada Jan. 19, 1919.

Hotel Owner
The war developed his interest in fine chinaware and after the war he joined Albert Pick, the Chicago hotel outfitter and included it as a career interest. He was prospering in several hotel properties when the depression struck. "People say I was a cook for Al Capone," he said, "but they don't say that we inherited the Metropole Hotel in Chicago from the First National Bank and that 30 days after I took over he was out." He owned the Pershing Hotel in Chicago and the Julian in Dubuque.
"When I was 26," he said, "I thought I'd never have to work again. Since then I've spent 30 years in the kitchen and I never spent 30 more pleasant years."
He solved a Gamberinus Brewing Co., management problem for Pick and was sent to Escanaba in 1938 to bail out a \$140,000 loan on a local brewery. He closed it. The late Atty. Herbert Rushton got him interested in the Ludington. "It was the cleanest hotel I was ever in," said Pat, "but it needed modernization." He was at that task from then on until his death, with spectacular results.
The body is at the Allo Funeral Home where friends may call from 3 to 9:30 p. m. Wednesday. The Parish Rosary will be recited at 8 p. m. Wednesday. Funeral services will be conducted at 9 a. m. Thursday at St. Joseph's Church with the Rev. Jordan Telles officiating. Burial will be in Holy Cross Cemetery.

Israel Reports Pogrom Threat To Iraq Jews

By The Associated Press
Israel told U.N. Secretary-General U Thant Monday another group of Jews is threatened with execution in Iraq. Israel's ambassador to the United Nations, Joel Barzani, conveyed the information, and Thant said he would look into the report immediately.
After the Iraqi government announced that nine Iraqi Jews and five other Iraqis were hanged Monday for spying for Israel, Iraqi Information Minister Abdullah El Samarra told a news conference in Baghdad that 65 other persons would be brought to trial soon on charges of spying for Israel and plotting against the Iraqi government. Barzani in his warning to Thant possibly was referring to members of this group.

Barbaric Act
Israel denied that those executed Monday were spying for her and said their only crime was being Jewish. Israeli Foreign Minister Abba Eban in a statement to Thant said a statement to Thant said the Baghdad government "has perpetrated an act of barbarity which exceeds even what the world has come to expect from a country in which violence and murder have become almost commonplace."

Thant expressed fear that the executions would upset U.N. efforts to achieve peace in the Middle East. The Iraqi delegation to the United Nations at once complained that Thant was mixing in something that was "entirely an internal affair of Iraq."

Condemnation
The U.S. government and American Jewish leaders also condemned Iraq's action. Secretary of State William P. Rogers said the mass public executions were "repugnant to the conscience of the world" and "a matter of deep concern" to the U.S. government. But Rogers noted that because the United States has no diplomatic representative in Baghdad, he could not comment "on the facts surrounding the trials."

Former Ambassador and Supreme Court Justice Arthur Goldberg, the president of the American Jewish Committee, expressed "shock and outrage" and urged the United States and the United Nations to "join with us in condemning what has occurred."

Today's Chuckle

A slush fund is the campaign fund of the other party.

Saigon's Forces Hit Reds In 2 Day Fight

Nixon Seeks Friends In Democratic Congress

WASHINGTON (AP) — President Nixon, coming out of his first news conference with high marks, launched a major effort today to win friends in the Democratic-controlled Congress.
Most of today's schedule was devoted to meetings with Capitol Hill leaders, ranging from a sunup breakfast with Republicans, to lunch at the House with members of both parties.
Nixon also is planning to apply a personal touch as boss of the federal bureaucracy and press secretary Ronald L. Ziegler said before the chief executive is through he will have visited most if not all of the major departments.

After a lunch at the Senate Wednesday, for instance, Nixon will visit the State Department. Later in the week he plans a repeat of his Monday visit to the Pentagon.

Drew Praise
Nixon's maiden news conference as President Monday drew high praise from Senate Majority Leader Mike Mansfield and Senate Democratic Whip Edward M. Kennedy of Massachusetts.
"He did very well," said Kennedy.

That was the general impression, too, of the more than 450 newsmen who attended a record for first news conferences by newly elected presidents. Even John F. Kennedy,

Beattie Heads 2 National Parks

MUNISING (AP) — Hugh Beattie, superintendent of the Pictured Rocks National Lakeshore, has been named superintendent of the Isle Royale National Park at Houghton, effective Feb. 23. Beattie will continue to handle administrative matters for Pictured Rocks. He replaces Bruce Miller, who has been promoted to regional director, northeast region, Great Lakes area office in Lansing.

who was the first to open his news conferences to live television coverage, drew fewer—418—at his maiden appearance Jan. 25, 1961.
Standing before a simple, chest-high microphone, without the lectern favored by his predecessors and speaking without notes, Nixon quickly overcame slight initial nervousness.
Mid-East Tension
With one hand jammed in a pocket, the other waving for emphasis, the President said the Paris peace talks were "off to a good start" and that the United States planned what he called new tactics there.
"We believe that those tactics may be more successful than

the tactics of the past," the President said without further elaboration.
He also indicated a possible move away from the Johnson administration's approach to Arab-Israeli tensions which were based on letting the two sides work out their differences with some kind of United Nations mediation.
"I believe we need new initiatives and new leadership on the part of the United States in order to cool off the situation in the Mideast," Nixon said.
"The next explosion in the Mideast, I think, could involve very well confrontation between the nuclear powers, which we want to avoid."

Diplomatic Duck By Hanoi Seen

PARIS (AP) — U.S. and South Vietnamese officials anticipate three developments from North Vietnam and the Viet Cong in connection with the Paris peace talks.

If they are right, then the Americans and their South Vietnamese allies can expect some difficult moments on the battlefield and at the conference table. But they believe North Vietnam may also be preparing a diplomatic retreat.

The U.S. and South Vietnamese sources give this assessment of the intentions of the North Vietnamese and the National Liberation Front.

1. Hanoi and the Viet Cong will try to inflict some form of military embarrassment on the U.S. and South Vietnamese forces in Vietnam while the negotiations continue in Paris.

There are signs of such preparations in the field, but the sources do not anticipate that the blow will be as heavy as last

year's Tet offensive. They believe the attack will be aimed primarily at increasing the American public's distaste for the war.

2. Hanoi and the Liberation Front will use the Paris talks as a forum to enhance the NLF's status and its claim to be the legitimate power in South Vietnam.
This will be the kind of verbal attacks on the Saigon regime that were delivered by the Front during last Saturday's opening session of the full-dress talks. One ranking official said he expected "the other side's propaganda broadsides to play a prominent role in the negotiations for some time."

3. Meanwhile, North Vietnam may begin preparing its own people for an agreement which falls short of the victory promised for so long by the Communist leaders.

South Vietnamese officials put more emphasis on this than the Americans do.

Concentrations Pause As Paris Talks Attacked

SAIGON (AP) — South Vietnamese headquarters said today a crack battalion of government rangers backed by U.S. planes and artillery killed 320 North Vietnamese in a bloody battle Saturday and Sunday 18 miles from the Laotian border.
A spokesman said the U.S. bombers and artillery accounted for 200 of the enemy dead. He said 51 rangers were wounded in the engagement 25 miles northwest of Pleiku city, in the central highlands.

U.S. officers said the Communist command has pulled thousands of troops into border areas, apparently waiting to see what happens at the Paris peace talks.

The ranger battalion was reported still sweeping the area today and U.S. B52 bombers unleashed 500 tons of bombs Monday night and today on enemy troop concentrations.

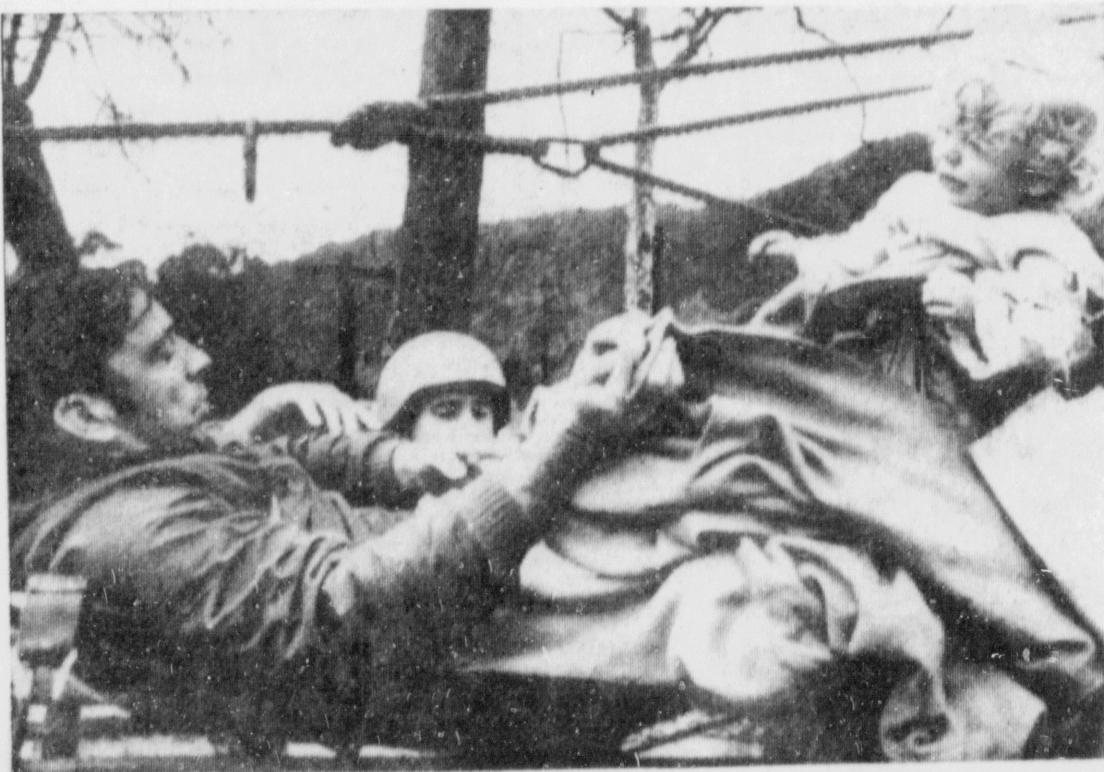

Beaten Back
The South Vietnamese reported another battle four miles from the Cambodian border and 54 miles northwest of Saigon early today in which about 400 North Vietnamese troops assaulted the night bivouac positions of a government para-trooper battalion.

By dawn the enemy had been beaten back after a U.S. flare-ship illuminated their positions for a hail of fire from U.S. helicopter gunships. A spokesman said 23 enemy bodies were found. Two South Vietnamese were killed and several wounded.

A U.S. spokesman said American gunships, bombers and artillery killed another 24 North Vietnamese soldiers and smashed four heavy machine gun positions along the Cambodian border 63 miles northwest of Saigon.

Far to the north, North Vietnamese troops just inside the demilitarized zone shelled U.S. Marines for the first time in more than a month Monday night, but a U.S. Command spokesman called the attack "trivial."

Exceed 31,000 Dead
Military spokesmen said today that American combat deaths have passed 31,000 and could exceed the Korean War's toll by May 13, the first anniversary of the Paris peace talks.
Communiques for the past week have listed 28 Americans killed in action, raising the Vietnam war's toll to 31,019. More than 8,000 Americans have died on the battlefield since North Vietnamese and Washington representatives first met in Paris last May 13.
The weekly report of casualties for last week will be released on Thursday. It is expected to be substantially larger than 28 since the daily reports do not list scores of troops killed in small skirmishes, men who died of wounds and those whose status is changed from missing to dead.
Tet Cease-Fire
The U.S. Command reported last Thursday the eight-year Vietnam war has cost the North Vietnamese and Viet Cong at least 436,556 soldiers killed.
The U.S. combat toll for the three-year Korean War was 33,629.
A spokesman for President Nguyen Van Thien said today the South Vietnamese government is considering whether to risk another cease-fire next month for the annual celebration of Tet, the lunar new year, on Feb. 17.

WES ARMAND (left) gives his daughter, Thea, 16-months-old, to sheriff's deputy after they crossed the swollen Topanga Creek by cable and basket Sunday. The nine-day Southern California storm subsided but not before causing \$35 million damage. An estimated 9,000 persons were evacuated from their homes. (AP Wirephoto)

GIANT KNOW-IT-ALL, an enlarged video display terminal, is "tamed" by Larry S. Provo, president of the Chicago & North Western Railway, at the National Transportation Institute display in Chicago. The C&NW's "Fastfax" system can collect, monitor and transmit some 200,000 messages daily from freight yards in 11 Midwestern states, as well as sales offices from coast-to-coast, over telephone circuits; and transmits comprehensive information on all rolling stock moving on the 11,500 miles of C&NW tracks, an average of 58,000 cars daily.

Railway Traces Cars Fast With 'Fastfax'

The transportation industry's most advanced computer-communications network — built around four RCA Spectra 70 computers — has gone into operation over the 11,500-mile route of the Chicago & North Western Railway.

The C & NW's system — known as "Fastfax" — is designed to handle message switching, freight car tracing and shipper inquiries on an automated basis, providing "a level of customer service in which we can do in seconds what used to take hours," according to John J. Kane, C & NW vice

president for sales and marketing.

The system collects, monitors and transmits some 200,000 messages daily from freight yards in 11 Midwestern states, as well as all North Western sales offices from coast-to-coast, over telephone circuits. Communications lines link the computer system in Chicago with the freight yards.

Kane said, the basic task of the "Fastfax" system is to transmit comprehensive information on all rolling stock moving on the North Western lines, an average of 58,000 cars daily. Car data includes such facts as car initial and number, origin-destination, shipper-con-

cent of the customer-service inquiries received in North Western's sales offices. As the computer extracts information for management reports, it also retains the current whereabouts of each car.

This information is retrieved in seconds from the central computer, a unit resembling a television set equipped with a typewriter keyboard. By keying in a special header number, the operator at a North Western sales office sees displayed on the cathode ray tube the two latest movements of the car.

Customers phone their requests for information to the sales offices. In turn, the sales offices query the computer provided by the American Telephone and Telegraph Co. Railroad officials said this marked the first time the service has been integrated with a computer inquiry and response operation on such a large scale in the transportation industry.

Commenting on goals of "Fastfax," Kane said: "We must have constantly in mind the fact that in today's complex economy—where many of us work on mills, if not percentage points—any improvement in the final service represents a corresponding improvement in profits, or in efficiency which generally improves profits."

In Use Here

"This is a service to our customers that is used daily and frequently at Escanaba," said Paul Schilling, C&NW Railroad dock agent here.

"The main use is in car tracing. For instance, if a contractor in the area is looking for a piece of equipment that is on its way here and he wants to know where it is, we can locate it for him in seconds. All we need is the car initial and number."

"Years ago railroads would have no way of knowing where a car was today—but they could tell you where it was yesterday."

Schilling said the movement of ore by the North Western is not involved in the "Fastfax" system. Ore is transported by the North Western from mines on the Marquette and Menominee ranges to Escanaba for stockpiling and loading into boats.

signee and description of goods.

When a train leaves a yard, the information on specific cars is recorded on punch cards—including the next point where the make-up of the train will be altered. The message is transmitted from a remote terminal to the central computer, which automatically transmits it to the next yard.

With this information, the receiving point schedules switching, man - power and track assignments and makes operating schedules to expedite shipments. Immediate validation of data by the computer contributes to a marked decrease in erroneous transmissions over the former non-automated system, he said.

As information is received by the central computer, facts are abstracted for various management reports. Car tracing accounts for more than 70 per

COLD - SINUS

Miseries?

Is your head pounding — nose running — are your eyes watering and are you sneezing — sneezing — sneezing?

Have you blown your nose until it is raw?

We're sorry you're suffering so; obviously you're not aware of our product SYNA-CLEAR and this is our fault.

SYNA-CLEAR is the original timed release tablet that gives up to eight hours of real relief from cold symptoms and clogged up sinuses. And that's a guarantee!

We do not have millions to spend on TV to tell you about SYNA-CLEAR; just this small ad. We do not gimmick our Advertising and product by offering twelve hours of medication. What is medication without relief? SYNA-CLEAR is what we offer and it gives you eight hours relief per tablet or your money back in full.

We could go into detail as to how our product works and about the fine formula, but we would rather you ask the experts about SYNA-CLEAR. The druggist at the store listed below or your family doctor can tell you about the merits of our fine formula.

SYNA-CLEAR costs a little more (\$1.50 & \$3.00 sizes) because it does more. You're having relief and not gimmicks.

Try SYNA-CLEAR as soon as possible — you know — all have to lose our discomforts.

This little ad has an awfully big job to do — to get you to try SYNA-CLEAR. So as a bonus, cut me out and send in with an empty SYNA-CLEAR carton and we'll mail you a check for 50¢ for just trying SYNA-CLEAR. If you have time to tell us about the results SYNA-CLEAR gave you, we would be pleased to hear from you.

Introductory Offer Worth

\$1.50

Cut out this ad — write your name on it and take it to WEST END DRUG STORE. Purchase one box of SYNA-CLEAR 12's and receive one more absolutely FREE.

If you have time to tell us about the results SYNA-CLEAR gave you, we would be pleased to hear from you.

Stephenson Area Honors Corey

STEPHENSON — Menominee County expressed its respect at a dinner in the elementary school here Monday night to the man it regards as "Mr. Everything."

He's Herbert W. Corey, president of the Bank of Stephenson. He's been associated with the bank for 40 years and the anniversary provided the occasion for a testimonial that was so popular that the 300 seat capacity of the school's dining room was exhausted immediately when tickets were placed on sale by the sponsoring Stephenson Lions Club.

Joseph B. Gucky, superintendent of Stephenson Area Consolidated Schools, the master of ceremonies, acknowledged telegrams of congratulations from Governor Milliken and other state officials and from banking associates of Corey throughout the country. Many of his banker friends from the Midwest were in attendance at the dinner and at the reception which followed in the public room of the Bank of Stephenson.

40 Years Of Leadership

Attestations by representatives of some of the organiza-

tions in which Corey is a leader were a highlight of the program and revealed how widely he has contributed to the progress of his home area, as a citizen and as a banker.

Bruce Crandall, speaking for the board of directors of the Bank of Stephenson, said "We're honoring him not because he worked 40 years at the bank, but because he has worked 40 years for the community."

Jean Worth, editor of the Escanaba Daily Press, the speaker of the evening said "Some may think that when Herb Corey chose a career in banking that he had it made. But the bank that he has made so successful is a reflection of this community, which it has helped so much."

Here At Home

"The bank's success didn't just happen. This bank used to open after hours to cash payroll checks at a \$2.50 discount so it could survive on its meager resources of \$80,000. It went on to make character loans to girls who wanted to go to college so they could become school teachers.

"This, simply, is greatness. Right here at home. Commonplace and everyday. If there's none of this, my friends, there's no greatness anywhere; not in Lansing, nor in Washington nor in Rome, nor anywhere. But we have it here and tonight we thank Herb Corey and his wife Myrtle for their contributions to our happiness."

Gucky said Corey believes in building character by a steady laying up "of the bricks of habit." A great friend of education, Corey did not himself go to college.

Fast 40 Years

Responding to the accolade, Corey said: "I've done nothing spectacular. I've tried to do a little every day and if it adds up to some of the things you have mentioned tonight, I'm pleased. I would have been pleased to wait another 10 years to round out 50, but you can see how much influence I have. It has been a fast 40 years, but a good 40 years.

"After Marcel Nadeau interviewed me for a bank job I went home to talk to my folks about it and my mother wondered about it. She said our family's only relations with a bank had been through notes and mortgages. But my father was for it. I planned to work

MR. AND MRS. HERBERT W. COREY of Stephenson, were honorees Monday night at a testimonial dinner at the Stephenson Elementary School publicly recognizing Corey's 40 years of banking with the Bank of Stephenson, of which he is president, and his civic leadership. Joseph B. Gucky, right, superintendent of Stephenson Consolidated Schools, was toastmaster. (Daily Press Photo)

Make Final Plans For Hermansville Snowmobile Derby

HERMANSVILLE—The William Anderson Sportsman's Club of Hermansville will meet Wednesday, Jan. 29 at 7:30 p. m. in the lodge rooms of the community club, the final meeting prior to the snowmobile derby to be held at Hermansville Lake on Sunday, Feb. 2 at 11:30 a. m.

Tickets and ticket money should be brought to the meeting. The derby committee includes:

Officials — Len LaCourse Jr., John Malone and Bernard LeBeauf; track officials—Bill Wendricks, Elvis Raiche, Francis Christenson and Robert Fabry; police—Emil Koish and Ernest Dani; rescue squad—Richard Grenier, Carl E. Swanson and William Roger Hull.

Finance—Robert Menard, Elmer J. Pipkorn, Eugene Whitens; public address system—John Malone and Roger Whitens; prizes—Ray Gurgall, Joe Urlick, Wilfred Piche, Eddie Malone; registration—Charles Kelly, Eddie Arnold, Elmer J. Pipkorn, Frank Gordon, Gerald Wellington and Walter Gawron Jr.; pit check of machines—Girard Murray and Joseph Nowack; scorers—Donald Raiche, Richard Whitens and Matthew Gurgall.

Timers — Douglas LaCourse, Don Whitens, Bob Sutherland and Gary E. Johnson; machine class officials—Charles Kelly, Roger LaCourse, Tony Machalk, Eddie Arnold, Ted Gurgall, Donald Hornick, Ernest Ayotte, Wayne Miller and Walter Gawron Jr.

Corey's 33 years of service as its secretary. James Beaudoin, chief of the Stephenson Volunteer Fire Department, before the department was formed."

Ambassadors' Gift

Fredolph Solander, president of the Stephenson Area Chamber of Commerce, said Corey's directorship had been very helpful and King Lion Harry Westrich told of Corey's presidency and service to the club preceding even its present charter.

Headed State Bankers

Albert Kipfer, vice president of the Bank of Stephenson, presented gifts to Mr. and Mrs. Corey and Jack Farley of the Menominee Ambassadors, of which Corey is president, presented a plaque honoring his service in the group's mission

of improving Menominee's economic image.

Corey is also a past president of the Michigan Bankers Association, president of the Menominee Intermediate School District, chairman of the trustees of Stephenson Methodist Church and of the Lay Board of St. Joseph-Lloyd Hospital, secretary of the Menominee County Republican Committee and a member of the International Bridge Authority at Sault Ste. Marie.

The Rev. Calvin Rice of Stephenson and Rev. Clayton Parcells said the blessings, Marshall Galbraith, Mary Ann Peterson, Bruce Szapa, Hamilton LeGrove and Dean Gidlof entertained with music and the Methodist Church women served the meal.

Deer On The Move:

Crusty Snow Brings Freedom And Danger

Northern Michigan's deer, threatened by starvation, are now able to move about somewhat because of the frozen snow crust after the recent thaw and freeze—but the condition has brought new danger as well as benefit.

Joseph Vogt, Escanaba district game biologist, pointed this out today in commenting on deer straying from the yards in search of food.

Today at 7:30 a. m. a doe was sighted by George Hirn in his backyard at 924 7th Ave. S. It crossed the street and headed toward the bay shore, he reported.

Less than two hours later another report was received from a Lake Shore Drive resident that the doe was out on

Death Claims Mrs. Gamache

HERMANVILLE — Mrs. Fred Gamache, 73, of Hermansville died at 1:30 p.m. Monday at St. Joseph-Lloyd Hospital in Menominee where she had been a patient for five days. She had been in ill health since October of 1968.

The former Gladys Brewer was born Oct. 8, 1895 in Houghton and was married to Fred Gamache in 1917 in Hermansville. Prior to her marriage she taught school in the Hermansville area. Mrs. Gamache was a member of St. Mary's Church and the St. Anne Society.

She is survived by her husband; two sisters, Mrs. Fred Trica and Mrs. Gayln Mahoney, both of Flint. A son, Clyde, was killed during World War II.

Friends may call at the Kell-Tondin Chapel in Spalding after 4 p.m. Wednesday and the Parish Rosary will be recited at 8 p.m. Funeral services will be conducted at 9:30 a.m. Thursday at St. Mary's Church with the Rev. Gervase Brewer officiating. Burial will be in the Meyer Township Cemetery.

Delta Recount On Time Starts

The recount on Daylight Savings Time in Delta County began this morning in the Delta County Building under the direction of Bruno Nardi of Escanaba, state elections division official.

Examination of voting in all 29 precincts will be completed Wednesday afternoon, Nardi indicated.

Elections officials this morning began checking ballots from all townships in the county except Wells.

Votes from Wells Township and the cities of Escanaba and Gladstone will be recounted Wednesday.

Late this morning, Nardi said no new totals had been finalized for the township precincts. There is a possibility, he said, based on his past experience that some precincts will not be recounted and November totals taken as official because of ballot boxes not being properly sealed or some other procedural problem.

In event a ballot box is found not properly sealed, Nardi said then the ballot bags would be checked and if the number of ballots matches the total number of votes logged in a poll book the recount could still proceed.

The state-wide recount is in its final week with the margin against Daylight Savings Time still holding at around 400 votes.

The recount of nine precincts in Menominee County Monday resulted in a "net" gain of one vote in favor of DST.

Police Report Minor Mishaps

Richard Corrigan, 21, Spalding, was ticketed by State Police for violation of the basic speed law Monday after his car hit a parked car owned by Frank Nowack Jr., Spalding, near the intersection of Pine St. and Main St. in Spalding.

Corrigan told officers his accelerator stuck.

Troopers also reported that cars driven by Arthur Eastberg, 48, Menominee, and Milton Bonz, 61, Rte. 1, Rapid River, sideswiped on U.S. 2 in Masonville Township about 5:05 p.m. Neither driver was injured.

Nude Play Only Part Of It

Senate OKs Study Of State Campuses

LANSING (AP)— Amid cries of "witch hunt" and "Little HUAC," the Michigan Senate Monday authorized a study of breaches of the peace and disorders on university campuses of the state.

The resolution passed by a voice vote.

Backers of the proposal said it did not stem directly from the arrest Sunday of 10 persons at the University of Michigan in Ann Arbor for indecent exposure as they performed in the play, "Dionysus in '69."

"The people are sick and tired of billygoated, shaggy-haired idiots with little moral worth who are interfering with and corrupting the education that their children want and that we are paying for," said Sen. James Fleming, R-Jackson and chief sponsor of the resolution.

Smokescreen

"The cry 'witch hunt' is a smokescreen to torpedo this committee," Fleming charged.

"A little (U.S. House of Representatives) Un-American Activities Committee in Michigan concerning the area of academic freedom will not solve the problem" of student unrest, said Sen. Coleman Young, D-Detroit.

Sen. Roger Craig, D-Deerborn, pointed out that one young man had disrobed at Oakland University to read poetry — and 10 had at the University of Michigan. Taking the respective sizes of the universities into consideration, he said, the numbers were "proportionately representative."

"Nothing that happened," he added, "authorized such a witch hunt."

The resolution — which backers said Atty. Gen. Frank Kelley had checked for constitutionality — cites the millions of dollars appropriated annually by the legislature for the support of the state institutions of higher learning.

Learning Atmosphere

"It is imperative that the atmosphere on the campuses be conducive to the learning process, and that it not be disrupted through illegal or disorderly student activities," it says.

The measure empowers an

THREE MEMBERS of the cast of "Dionysus in '69" and one of the assistant managers await "booking" and fingerprinting at Ann Arbor police headquarters after their arrest Sunday night for indecent exposure while performing their play at the University of Michigan campus. The New York group pictured include, from left: Jan MacIntosh, Ciel Smith, Richard Schechner (director) and Judith Allen. (AP Wirephoto)

eight-member committee to "study breaches of the peace and disorders or the possibility of criminal conspiracies on university campuses."

Included are "the influence of any subversive groups or illegal interference by individuals and groups with the enjoyment and use of Michigan educational facilities; strengthening state criminal laws relating to breaches of the peace on the campus and disorders on the campus; and the role of the Students for a Democratic Society as related to campus disorders."

Costs \$25,000

The committee, which will have an expense budget of \$25,000, planned to meet later this week to decide its first move.

Senate Minority Leader Sandor Levin, D-Berkley, blasted the assignment of the study to the Senate State Affairs Committee, rather than to Education, Judiciary or Appropriations.

"The committee should operate with objectivity and expertise," he said. "It should be divorced of prejudice, divorced of hysteria, divorced of headline hunting."

Levin said that idea was "being violated in this case and everybody knows it" the study assignment, he said, would

Hospital

A patient in St. Francis Hospital is Agnes Carlson, 70, of 914 S. 13th St., who suffered a fractured pelvis in a fall on the ice at the curb in front of the City Hall at 11:23 a.m. Monday.

Our No. 1 Problem

Our highway system is strongly influencing the development of the Upper Peninsula. It is the greatest single factor in development of Upper Peninsula tourism. Most of our visitors come by car. More would come if our highways were better and if they connected with the nation's Interstate Highway System.

The Upper Peninsula suffered a huge injury when the Michigan Highway Department didn't include it in the state's participation in the National System of Interstate and Defense Highways, except for the 50 miles of I-75 that funnels Mackinac Bridge traffic into Canada.

The Upper Peninsula didn't protest this exclusion very much. In some areas it was applauded. The strongest voice in the discussion was that of resort and tourist business operators and they didn't want any improvements that took the highways away from their places of business on the present highway routes. This is a very understandable reaction and a normal one for anyone with a business investment.

But even the businessmen living on highway business could not foresee what was going to happen to us here in the Upper Peninsula.

At the time the Interstate Highway System was started it was to be an addition to the national road system which would enable people — and defense traffic — to get from one area to another on high speed, limited access highways of great safety. The Interstate became our national system of major traffic blood vessels — our arteries. Now all the rest of the roads depend on it and feed into it.

And this situation has resulted in the Interstate getting the lion's share of federal highway funds. Interstate projects are financed 90 per cent by the federal government, so the states don't let any of that money get away, you can bet. The federal government matches state funds only 50-50 on other federal routes like our US-2 and US-41 in the Upper Peninsula, so such highways get what's left of state aid and there isn't much of it, although these highways represent the big bulk of highways mileage in Michigan.

The result: There'll be almost no major highway construction work in the Upper Peninsula this year while the further refinement of the Interstate System in the state proceeds and while the Interstate System is extended in the Lower Peninsula.

This is a gross error of government which should enlist the corrective efforts of Senators Hart and Griffin and of Congressman Ruppe. The Upper Peninsula is being grossly discriminated against in highway allocation.

Here at home we are compounding the injury by delaying its correction. Our Upper Peninsula Boards of Supervisors have given the Michigan Highway Department an excuse for inaction by saying they want any improvements on present routes.

Henrik S. Stafseth, state highway director, who has tried valiantly to change this hurtful highway funding foolishness, says that a study, in which local participation will be solicited, will be initiated in the near future to resolve the Upper Peninsula's highway dilemma.

We welcome such action and hope that it will enlist fullest support from all elements of the U.P. so that we may deepen our understanding of our problem and try for an agreement that will permit us to extend modern highways into the U.P. (And not just the U.P. bypass to Canada!)

Hope Buoyed

Hopes are riding on the outcome of peace negotiations in Paris. HOPE will be buoyed in a very literal sense should the snail's-pace talks eventually result in an end to the war in Vietnam.

We speak of Project HOPE, the nonprofit, nongovernment organization founded in 1958 to help raise the level of medical education in developing nations.

The project's famed hospital ship, the SS HOPE, is on loan from the Navy, where it was called the USS Consolation. Since its christening in 1960, the SS HOPE has conducted programs in Indonesia, South Vietnam, Peru, Ecuador, Guinea, Nicaragua and Colombia. It is currently halfway through a 10-month medical teaching and treatment mission to Ceylon.

Project HOPE now seeks to add a second ship and has just received word from the Defense Department that it "would look with favor upon a request for an additional hospital ship after the cessation of hostilities in the Far East." Presumably, it would be one of the Navy hospital ships now in service in Vietnam.

The need for a second ship is underscored by the fact that the project has on hand invitations from 24 nations for a visit of the SS HOPE.

At the rate of one country per ship per year, even a fleet of HOPEs would have its work cut out for it.

TV's Second Season

By JOAN CROSBY
NEA Entertainment Editor

LOS ANGELES — (NEA) — Like the Phoenix, that legendary bird who rises from his own ashes, the television season replenishes itself amid second season hopes, built on the ashes of high hopes that crumbled with September ratings.

The network with the most to lose, because it has the most new shows, is ABC. NBC made only one change with My Friend Tony replacing Phyllis Diller. CBS replaced Blondie with The Queen and I. Daktari, which had a more than respectable run, will give way to The Glen Campbell Goodtime Hour on Jan. 29.

But, for three nights beginning Feb. 5, ABC will have a bargain basement sale of such shows as Peyton Place II, The Ugly Girl in Town, Journey to the Unknown, Operation Entertainment and The Don Rickles Show, so the channel can be cleared for new, shiny merchandise which has a definite beat of today, they hope.

First to premiere is Turn-On, with George Schlatter and Ed Friendly (of Rowan and Martin's Laugh-In) as executive producers and Digby Wolfe, formerly a head writer on Laugh-In, as producer. At the moment, none of them is quite sure what the show is about.

"A sponsor bankrolled two pilots," Wolfe said. "They asked for a new, young, nonderivative show."

What they got, and bought, is a 30-minute "assault" in which a computer is the host, two men, one white and one black, whose faces are never seen, operate it, and a cast of regulars, including one tall, thin, pretty giggler named Bonnie Bolland and one short, fat Mama Cass lookalike giggler named Maxine Greene, sing, dance and perform in skits.

If the show is set apart from other shows, it will be because of its visual aspect. Computerized drawings, split screen techniques, a joke going on in four separate sections of the screen and sometimes four jokes going on at once are illustrations the producers gave during a dinner presentation in which Schlatter laughed a lot, which set the gigglers to giggling.

Don't let the title The Generation Gap turn you off. The Chester Feldman - produced game show for Talent Associates is a basically simple and very amusing idea. A team of three teens, ranging from about 14 to 19, is asked questions such as the identity of the World War II drawing of a long-nosed character, peering over a fence, "was here." (Kilroy, of course.) Pitted against them is a team of adults ranging from their late 30s into their early 40s. They are asked questions like, "If you fell and broke your frammis, what would you break?" (A guitar.)

The master of ceremonies is a personable young man named Dennis Wholey who says he is, at 30 the gap. "Neither side really trusts me."

Wholey says, "In the run-throughs we have done, it seems the kids know more about the parents than the parents know about their kids. That's a comment. I think if we

Dennis Wholey

can get parents and kids to watch together, both sides will have fun, and perhaps learn something about each other."

The Tom Jones Show, which replaces Operation Entertainment, is being produced in England and will be like the recent, well-produced Tom Jones special.

Let's Make a Deal, which joins Jones and The Generation Gap in the Friday night schedule, is an old friend in a new spot. After five years on NBC, the series, hosted by Monty Hall, has moved to ABC daytime and made a big imprint in the ratings. The nighttime version is essentially the same with equal doses of humor, suspense and greed.

What's It All About, World? which moves into the Thursday night schedule, is produced by Saul Ilson and Ernest Chambers (these days producers mostly come in pairs and one of them should be bearded, as are Schlatter and Chambers), who launched the Smothers Brothers Comedy Hour and also produced the recent Guide to a Swing-

ing Bachelor, which many people thought was the dirtiest show TV has yet produced.

Dean Jones is the star of World, and part owner of the show. "No, the concept isn't mine," he says. "I don't think that dirty." Among the regulars are a clever pair of comics, Richard Clair and Jenna McMahon, new singer Geri Granger and a very funny young man who may remind some people of Bill Cosby, Scoey Mitchell (that's the way he spells it—spills?).

Because World and Turn-On both claim to be "with it," doing their "thing" and "contemporary," words which have come to be synonymous with disique, one wonders about censorship problems. "The network has been marvelous about keeping hands off," say Ilson, Chambers, Schlatter, Friendly and Wolfe.

You mention this to ABC-TV's president, Elton Rule, and he says, before you finish the sentence, "That's not true. We intend to scrutinize everything." Happy scrutinizing.

Scoey Mitchell

Don von Elsnar has produced another Jake Winkman bridge mystery. This time the scene is laid at Los Angeles Bridge Week and there is plenty of action with Communist spies who seem to play bridge and get involved with bridge players. We don't quite understand the whole plot but the bridge hands are interesting as usual.

In today's hand Winkman doubles three no-trump in the East seat. He wins the first spade with the queen and returns the suit. His partner cashes the ace and king and sets up his last spade by leading the deuce. South played ace and one diamond. Winkman took his king and got out with a club and eventually South went down two tricks.

As Don points out, North probably should not have bid two diamonds in the first place but surely should have pulled the double out to four diamonds, but bridge players do make mistakes.

South corrals Winkman after the game and asks how he came to double with so little. Winkman replies, "I knew there was something wrong with the bidding somewhere. I did want a spade lead but it was a bad double. Furthermore, you should have made your contract for a top instead of going down for a bottom."

Here is the winning line of play. South is in with that fourth spade. He notes that West led the deuce, not the four. He might read that as a short suit preference request for a club lead. Then all he would have to do would be to cash his three high clubs before throwing Winkman in with the king of diamonds.

Winkman would be forced to lead a heart. South would let that ride to dummy's jack and dummy's diamonds would all be good.

The upshot of the story was that South decided he wanted to play with Winkman instead of against him.

♥ ♣ CARD Sense ♠ ♦

Q—The bidding has been:
West North East South
Pass 1 ♥ Pass 1 ♠
Pass 3 ♥ Pass 2 N.T.
Pass 4 ♣ Pass ?
You South, hold:
▲ AQ 6 ♥ K J 7 ♦ A 10 4 ♣ K Q 10 8
What do you do now?

A—Bid four diamonds. Your partner appears to be interested in a slam. Hearts have been set for the final contract and you can afford to show the diamond ace at this point.

TODAY'S QUESTION

You do bid four diamonds and partner bids four no-trump. What do you do now?

Answer Tomorrow

The Family Lawyer

MRS. MURPHY'S CHOWDER

If Mrs. Murphy bit on a rock in a bowl of chowder and broke a tooth, she would have good cause for complaint. Ordinarily she could collect damages from the restaurant (if she ate the soup there) or from the processor (if she bought it canned). The law takes a stern view of foreign matter in food.

But not every unwelcome ingredient is "foreign."

Suppose, for instance, that you encounter a hard, un-popped kernel in a box of pop corn. No doubt, biting it would be an unpleasant experience. Still, the kernel would not be foreign to the pop corn. A reasonably careful pop corn eater would expect an occasional kernel, and would be able to cope with it.

In other words, the law seeks to decide how "natural" the object is in the food where it is found. Consider this case:

A woman injured her throat when she swallowed a small bone in some canned chicken fricassee. But when she sued the processor for damages, the court ruled that such a bone—at least, if not splintered—was not foreign matter.

"Bones," observed the judge, "are normally left in chicken cut up for fricassee."

But the ruling went the other way when a man eating a chicken sandwich in a restaurant downed a sharp fragment of bone. Holding the restaurant liable, the court said a diner would naturally expect to find sliced chicken and lettuce in his sandwich—but not splintered bone.

What if the seller of the food, as part of his sales message, gives his customer a specific assurance of safety? That could increase the likelihood of his legal liability in case of a mishap.

Thus, in another chicken bone case, the injured victim won a verdict because the product had been sold as "boned chicken." The processor argued that "boned" meant only that major bones—not all bones—had been removed. But the court replied:

"The fragments of bone that remained would be 'bone' to anyone who might attempt to swallow them. 'No bones' would mean to a buyer that no bones whatever would be found."

© American Bar Assn.

Ann Landers

Says That Drunks Are Lousy Lovers

Dear Ann Landers: Please, please print this letter for the benefit of men who drink too much too often.

Boys: You are lousy lovers when you are drunk. Your wives find you revolting and disgusting. Also inadequate. When you come home from a party smashed out of your mind, please forget about romance. When you roll in dead drunk from a lodge meeting or from a poker game — or whatever it was — please don't wake up your wife and make silly suggestions. It is annoying to be jarred out of a sound sleep and she will not appreciate your sudden interest in her.

This sort of thing happens to me at least twice a week and I am sick of it. My husband doesn't remember a single thing the next day and telling him does no good. He doesn't believe it. So, dear Ann Landers, be a friend and publish this letter in your column. I want to tape it to my husband's shaving mirror. Thanks much. — KLONDIKE KATE

Dear Kate: Here's your letter and I hope His Majesty takes the hint. You can bet your bottom dollar HIS shaving mirror won't be the only one that is decorated!

Dear Ann Landers: In 1964 I began to date a man who came to work for our firm. At first he showed very little interest in me but I "grew on him," he says, as time went on.

In 1966 we became engaged. I am now 31 years of age, he is 36. I've been wanting to get married and start a family before I get too old. Whenever I bring up the subject he says, "Don't rush me."

Two weeks ago I insisted on setting a wedding date. I told him I was tired of waiting. He then announced that he is not good enough for me and that he has decided to "set me free."

There was rumors around the office that he has been pinching the new filing clerk behind the coat lockers. Before you tell me to dump him, please remember that I love this man in spite of his faults and I have invested five years in our future. Advise me, please. I am sick at heart. — TEARS ON MY PILLOW

Dear Tears: Stop mourning the loss of this heel. A man who would take five years of a girl's time and then decide he's not good enough for her is probably right. He's not. It's funny, though, how these guys you aren't good enough for you al-

ways wind up good enough for someone else. Pity the girl who gets him. He's N. G.

Confidential to Patient Griselda: If all marriage means to you is "twenty-one meals a week for that big ape," you need more help than I can give. The pastor who married your children sounds like a wise man. Talk to him.

When romantic glances turn to warm embraces is it love or chemistry? Send for the booklet "Love Or Sex And How To Tell The Difference," by Ann Landers. Enclose a long, stamped, self-addressed envelope and 35c in coin with your request.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper, enclosing a stamped, self-addressed envelope. Copyright 1969, Publishers-Hall Syndicate

Outdoor Recreation Is Cure For Urbophrenia

By JAMES A. O. CROW
DETROIT (AP) — Are you tired, run down, full of vague ailments, maybe even considering robbing a bank?

If so, you may be suffering from a disease named urbophrenia.

This is no gag. Dr. Iglio Hart Kornblugh, of the University of Pennsylvania, reported recently there is such a disease. The name he has given it means literally "city jitters."

At a symposium on biometeorology of the American Academy of Science in Philadelphia, the doctor said that human beings crowding into big cities and suburbs has changed the climate in which we live into an artificial climate which is too much indoors.

Monotony
This fosters "a peculiar greenhouse existence," bringing on new and poorly understood

health problems, Dr. Kornblugh said. By the way, biometeorology is the study of the effect of weather and climate on life.

"The weary monotony of an immured existence within the confines of residence and the place of employment," the doctor said, "leaves its mark on the physical and mental capacity of humans."

"Too many people fail to seek the relaxations and physical activity to be found in outdoor recreation or don't have a chance to do so," the doctor added.

Such a "life-long, sheltered vegetation, punctuated only by periods of vacation may lead to urbophrenia," and result in physical and social disorders, he concluded.

Need Outdoors
All these big words were put together by a man who is medical director of the Department of Physical Medicine at the University's Graduate Hospital.

So, you can see he knows what he is talking about. But a writer for the popular press he isn't.

All he means, really, is that if you don't get outdoors more often than a couple of weeks in the summer, you're going to get sick or maybe even turn into a criminal.

If you have a case of urbophrenia, Dr. Kornblugh has volunteered a free prescription for you—get more outdoor recreation.

Ice Fishing
Probably this is the best time of the year to start getting outdoors more, because it is not crowded. There is a popular myth abroad that it is uncomfortable out in the open in the cold and the snow at this time of year.

It isn't if you dress for it.

Beer Making Is Loss Business

EAST LANSING—About one out of every three firms engaged in food processing in the U. S. during the 1965-66 tax year lost money, according to a report published recently by the Department of Agricultural Economics at Michigan State University.

The report reveals that 5,269 of the 16,488 food processing firms reported negative incomes for the 1965-66 tax year.

Major losers were firms engaged in the processing of sugar, malt liquor and malt, dairy products, bakery products and meat products. Of the 269 firms engaged in making beer and malt, about 65 per cent of them reported losses.

Paint Sprayed Inside School

HENRIETTA (AP) — Classes were cancelled Tuesday at the Henrietta Elementary School northwest of Jackson to permit volunteers to clean up paint sprayed inside the school over the weekend. Two juveniles were taken into custody after school authorities said they broke into a school store room, threw paint over floors, walls and furniture and damaged audio visual equipment in a three-day rampage.

List Nixon As Best-Dressed

NEW YORK (AP) — President Nixon and Canadian Prime Minister Pierre Elliott Trudeau have been named to the 30th annual best-dressed list of the Fashion Foundation of America.

The foundation, an organization of custom tailors and designers, selected Nixon for the statesman category, and Trudeau for international government.

Fifteen men were named as best-dressed in different categories.

The others were:

Chicago Mayor Richard J. Daley, civic affairs; comedian Dick Van Dyke, movies; producer David Merrick, theater; bandleader Guy Lombardo, music; singer Andy Williams, television; Loew's Hotel President Preston R. Tisch, host; publicist Serge Obolensky, society; New York Yankees President Michael Burke, business; and horse race broadcaster Tommy Roberts, sports.

Baum Receives Airman's Award At Montana Base

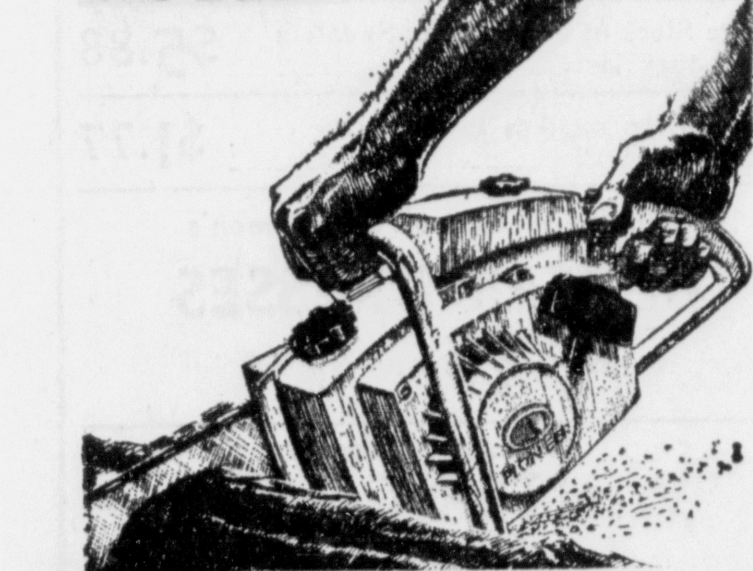

Airman 1st Class Brent M. Baum, son of Mr. and Mrs. William I. Baum, 217 Ogden Ave., Escanaba, has been named Outstanding Airman in his unit at Malmstrom AFB, Mont.

Baum, a radar operator, was selected for his conduct and performance of duty. He is a member of the Aerospace Defense Command.

A graduate of Escanaba Area High School, he attended Northern Michigan University and Bay de Noc Community College. His wife, Kathryn, is the daughter of Mr. and Mrs. Ben Viau, Rte. 1, Rapid River.

This chainsaw is all muscle no fat!

Pioneer 1130

Tired of chain saws that are either overweight, or underpowered? You're ready for the Pioneer 1130. And we've got it! Totally engineered... just right in weight... just right in power... just right in price! Come on in and get your hands on a Pioneer 1130 chain saw. Or the 1160 with automatic oiling. Put Pioneer muscle to work... for you!

We've got the lean, hungry, muscular Pioneers:

CAN BE SEEN NOW AT

BERGERON MARINE

Masonville Phone GR 4-5791

No matter where you live in Michigan, you are not far from a frozen lake where you could start ice fishing the day you read this.

One of the few places you can spear through the ice for sturgeon is no farther away than the tip of the Lower Peninsula on Burt, Mullett and Black Lakes.

Rabbit hunting is all around you, legal in Michigan through this month. And there is no closed season on things like foxes, coyotes and crows.

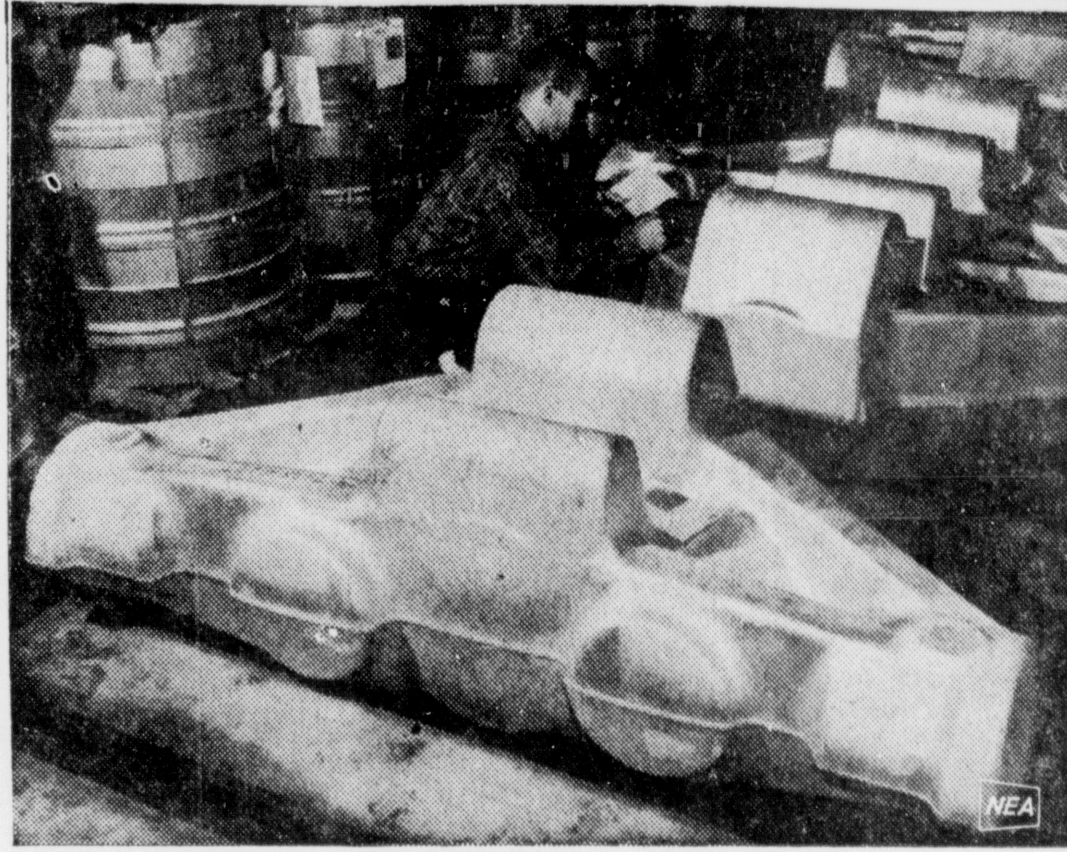

You don't have to go hunting and fishing to get outdoors. It's amazing what can be seen in a walk through the nearest patch of woods.

Walk In Woods

If you want to get serious about walking around in the woods, head up north with a pair of snowshoes for a day or so. It is fascinating to tramp around in the beautiful hill country east of Gaylord and Vanderbilt looking for elk. Or hiking into the deer yards to see how the deer are getting along.

The only thing is, don't call us for more information. We have reminded ourselves we haven't tried that sturgeon spearing for years, so we are on our way.

Darned if we want to catch urbophrenia.

ALUMINUM "BONES" are parts for unusual knee joints that help the world's largest aircraft kneel to conquer distance between its cargo compartment and the ground. The 2,500-pound Alcoa forgings connect to landing gear systems of the C-5 Galaxy, allowing the huge ship to "kneel" and adjust its loading ramp to truck bed heights.

Consumers Power To Construct Nuclear Plant

ARGONNE III. (AP) —The Consumers Power Co. of Jackson, Mich., has filed an application to construct a nuclear power plant near Midland, Mich., the Atomic Energy Commission announced Monday.

The AEC said the plant, with an estimated construction cost

of \$394 million, would be used to generate electricity and to supply steam for the Midland chemical plant complex of the Dow Chemical Co.

The two-unit plant would have a power producing capacity of 4,325,000 kilowatts. The first unit is projected to

begin operating in 1974 and the second unit the following year. A public hearing and an AEC study must come before any approval of the application.

Consumers Power has operated a nuclear power plant at Big Rock Point, Mich., since 1962.

Research Unit Elects Leaders

MINNEAPOLIS — Officers of the Upper Midwest Research & Development Council were elected today.

Earl Ewald, chairman of the board of Northern States Power Co., was elected president; William Fox, president of Fabrik-Tek, Inc., Minneapolis, vice president; William R. Pearce, vice president, Cargill, Inc., secretary Philip H. Nason, president of the First National Bank of St. Paul, re-elected treasurer; and Thomas L. Anding, executive director.

The Council, founded in 1959, is a private, non-profit organization dedicated to improving the social and economic climate in Montana, North Dakota, South Dakota, Minnesota, Wisconsin, and the Upper Peninsula of Michigan through research and education.

The Council is holding a seminar on the Urban-Rural

Balance issue in conjunction with its annual meeting as a first step in producing a regional response to the growing national discussion on the economic and social implications of the settlement patterns.

Tear Ignition Wires From Bus

BLOOMINGDALE (AP) — Vandalism succeeded in shutting down the Bloomington School system Tuesday by tearing the ignition wires from 14 of the district's 15 school buses. Supt. William Nolan said it was the second time in two weeks vandals had struck the district's buses. On the earlier occasion, repairs were made in time to permit school to continue. The district's 800 students are to return to classes Tuesday.

Visitors See Junior Achievement At Work

HOW ESCANABA JA accomplishes its objectives of learning and working was viewed by visitors at an open house Monday evening at the old Jefferson School. Pictured (from left) are Mrs. James Johnson and Mrs. George C. Anderson talking with Lin Sundstrom, one of the students enrolled in the program designed to teach business methods and principles. (Daily Press Photos)

THERE ARE THREE Junior Achievement companies in Escanaba and pictured here is the work table of Ho-Esko with open house visitors observing the members at work. Local business and industrial firms assist the young people by supplying advisers, who meet with and counsel the members on industrial techniques.

JUNIOR ACHIEVEMENT was established in Escanaba about a decade ago and it has been highly successful in gaining the interest of students from Escanaba Area Public School and Holy Name High School. The student members of JA organize into companies, sell stock to finance operations, select and manufacture and sell a product. This is Youthco at work.

Clebanoff Strings To Appear Here Saturday Night

"An exciting interview with new sound . . ."

This was one listener's reaction to the Clebanoff Strings and Orchestra, the instrumental ensemble which will appear Saturday night at William W. Oliver auditorium under the auspices of the Delta County Community Concert Association.

Community Concert subscribers were reminded today that their tickets are transferable. Curtain time is 8:15 p. m.

The program Clebanoff offers is an innovation in the concert field — virtually two programs in one.

The first half of each concert is a classic string concert; the second half, adding piano, accordion, harp, and percussion, is an exciting "pops" concert. "In both departments of the repertoire the Clebanoff Strings and Orchestra are expert," reported critic Albert Goldberg of the Los Angeles Times.

Clebanoff was at 20 the youngest member of the Chicago Symphony Orchestra. Later, he was concertmaster of both the Illinois Symphony Orchestra and the NBC Orchestra. He was also active in chamber music groups, playing with the Pro Musica Trio and his own

String Quartet. He made his conducting debut with the New Orleans Symphony Orchestra.

Feeling a need for a type of instrumental ensemble which in size and type of music would fall somewhere between the traditional small chamber ensemble and the regular symphony orchestra, he organized the Clebanoff Sinfonietta, which subsequently became the Clebanoff Strings, and now the Clebanoff Strings and Orchestra.

The Clebanoff Strings and Orchestra is a company of 20 instrumentalists: 15 strings, accordion, piano, harp and percussion.

Coal Mine Fire Traps 10 Miners

MT. MORRIS, Pa. (AP)—Radio contact with seven men feared trapped deep in a burning coal mine was established today and mine officials said the crew was making its way to safety.

Nearly 100 men were working in the shafts of the Humphrey No. 7 mine when the fire broke out. Two hours later, all but one crew, 7-10 men, was accounted for.

Company officials would not comment, either at the home office of the Christopher Coal Co. in nearby Morgantown, W. Va., or at the mine south of this community on the West Virginia-Pennsylvania line.

The mine is about 20 miles northeast of Mannington, W. Va., where 78 miners died in a series of fires and explosions that ripped through another coal mine Nov. 20.

Dr. D. McGinn Joins Clinic

Dr. Denis McGinn has accepted appointment as a dentist in the Dental Clinic located in the Escanaba Area High School, announced Dr. Mary Cretens, Delta-Memominee Health Department director and Ray LaPorte, Community Action Agency director.

Dr. McGinn replaces Dr. William Knudsen, who has entered private practice.

A 1956 graduate of Holy Name High School, McGinn starred in basketball and baseball there and played varsity baseball at the University of Michigan.

He was graduated from the University of Michigan and graduated in 1965 and joined the Navy and served with the rank of lieutenant for three years, 1965-1968. His tour of duty took him to Okinawa and Vietnam, where he was associated with a Civilian Dental Program.

The Dental Clinic, which is sponsored by the Exchange Club of Escanaba, Delta-Memominee Health Dept. and Community Action Agency, provides free dental service to children whose parents are unable for economic reasons to do so.

Dr. McGinn is a son of Mrs. Denis McGinn, 415 Ogden Ave. His late father was a famed trial lawyer.

R. LaBumbard Dies Suddenly

Raymond Z. LaBumbard, 78, well known Rapid River resident, was dead on arrival at St. Francis Hospital at 10:40 p. m. on Monday.

He was born April 15, 1890 in Rapid River and had resided in that area all of his life. He was a retired logger and jobber. His wife Abbey died Jan. 8, 1966. Mr. LaBumbard was a member of the Rapid River Congregational Church.

He is survived by two sons, Howard of Bettendorf, Iowa, and Keith of Detroit; one daughter, Mrs. James (Carol) Prestage of Tipton, Mo., nine grandchildren and two great grandchildren; five grandchildren, Mrs. Myron Kroll and Mrs. Bernice Lancour of Menominee; Mrs. Harvey Groleau and Mrs. Philemon Navak of Gladstone and Mrs. Gladys Taylor of Rockford, Ill.; one brother, Ronald of Menominee.

The body has been removed to the Skradski Funeral Home where funeral arrangements are incomplete at this time.

Thelma Ritter Suffers Attack

NEW YORK (AP)—Veteran character actress Thelma Ritter was stricken by a heart attack Monday night at her home in Forest Hills Garden, Queens, according to police.

Police said Thelma Ritter Moran, 68, suffered the attack at 5:15 p. m., and was taken to Queens General Hospital, where she was later reported to be in critical condition.

Mrs. S. Hakes, Former Resident Dies On Sunday

Mrs. Sarah Hakes, 76, formerly of Escanaba and Iron Mountain, died Sunday in Dearborn, Mich. where she had resided for a year and a half. Mrs. Hakes came to Iron Mountain from Escanaba in the 1920's.

She is survived by one daughter, Mrs. Myrtle Love of Dearborn; a son, George Hakes of Chillicothe, Ohio and two nieces, Mrs. Hazel Sealander of Escanaba and Mrs. Helen Gass of Bloomfield Hills, Mich. Her husband, Clarence, preceded here in death in July of 1962.

Funeral services will be conducted at 1 p. m. Thursday at the Erickson and Son Funeral Home in Iron Mountain and burial will be in the Bark River Cemetery.

Ice Skating Schedule Listed

The schedule for skating at the Royce Park and Webster rinks is as follows: beginners and figure skaters, 6 to 7 p. m.; younger children, 7 to 8 p. m.; older boys and girls and adults, 8 to 9:30 p. m.

The Danforth Ski Hill will be open this evening 7 to 9:30. The community and game rooms at the civic center have been reserved for family groups and adults from 7 to 10 p. m. Children must be accompanied by adults.

Briefly Told

A traffic summons was issued by State Police Monday to Wanda Anderson, 227 N. 12th St., for defective exhaust.

An important Elks meeting of officers, trustees, and house committee members will be held Wednesday, Jan. 29 at 7:30 p. m.

Daniel Paul Belanger, 700 1st Ave. N., Wells, and Connie Jean Beisel, 902 Ludington St., Escanaba, have applied for a marriage license at the County Clerk's office.

Escanaba police have issued traffic court notice to John W. Hjalmer, 805 S. 19th St., failing to report a property damage accident; James R. Cool, Escanaba Mounted Rte., speeding; and James Ketcham, Bark River Rte. 2, failing to stop in the assured clear distance.

James F. Abramson, 25, of Escanaba Rte. 1, charged with being drunk and disorderly, entered a plea of guilty in Delta District Court on Monday and was ordered to pay a fine of \$75, pay costs of \$10, and spend 15 days in jail after his working hours. He was arrested by city police on Jan. 23.

William Meshigaud of 1425 3rd Ave. N. waived examination in Delta District Court on Monday and was bound to Circuit Court on a charge of driving away an automobile without intent to steal. He is in jail in default of \$500 bond. The automobile allegedly driven away by Meshigaud is owned by Tom McDonough, 1408 1st Ave. N.

The Bay de Noc Toastmasters Club met at the Sherman Hotel Monday evening. Participating in the program were John Lamse, Al Piquette, Art Brien, James Wren, Walter Peterson, Ray Chase, Tom McDermott, Paul Horst, William L. Miller, Fred Fisher, Rick Geiss. President Dick Powell conducted the meeting. The next session will be held Feb. 10.

County Clerk William E. Butler announced Monday that all jurors for Circuit Court, except those sitting on the panel for the auto negligence trial now in progress, have been excused for the remainder of the term. Butler said other jury cases either have been settled or continued to the next term of court.

Richard L. Salmon, 17, Rte. 1, Bark River, was placed on one year's probation in District Court Monday after he pleaded guilty to a conservation charge

Highland Elects Officers; Pratt Named To Board

The board of directors of Highland Golf Club met last night to discuss the plans for the 1969 season and elected officers for the coming year.

President Hazen Hengesh welcomed Con Pratt to the board, and also commended Mert Jensen, who retired as vice president, for his work through the many years he served on the board.

The board accepted the statement of conditions which was prepared and presented by Secretary - Treasurer Einar Beck. There was also much discussion on the purchase of new equipment which is needed, as well as the construction of an addition to the present garage.

Elected officers for 1969 were Hazen Hengesh, president; Ed McCarthy, vice president; Einar Beck, secretary - treasurer. Members of the board of directors are Jim Douglas, Bill Fairchild, Gerry Harris, Burl Barnhart, Con Pratt and Leo Brunelle.

Lee Remick Is Divorced

NEW YORK (AP)—Actress Lee Remick has been divorced from her husband since November, her attorney says.

The blonde actress went to Juarez, Mexico Nov. 23 to obtain the divorce from director William Colleran. Miss Remick, 33, married Colleran in 1957 and they have two children.

of killing a ruffed grouse (partridge) during the closed season. He also was assessed liquidated damages of \$5 and ordered to pay \$9 court costs. Officers said he was arrested Jan. 22 in Ford River Township.

The winter meeting of the Wisconsin-Michigan Wood Seasoning Association will be held Jan. 30-31 in Iron Mountain at 1:30 p. m. in the Dickinson Hotel. John T. Hopkins, occupational safety consultant with the Bureau of Safety and Regulation, Michigan Department of Labor, will speak on safety in lumber handling, dry kiln operation, and other lumberyard operations. Scheduled Friday morning is a tour of the Goodman Division plant of Calumet & Hecla Universal Oil Products.

C&NW Securities Come Under Fire By B. F. Goodrich

NEW YORK (AP)—B.F. Goodrich Co. has filed a petition with the Interstate Commerce Commission asking that Northwest Industries, Inc., holding company for the Chicago and North Western Railroad, be required to obtain ICC approval of all securities issued by the holding company.

The petition charges that the proposed tender offer of securities of Northwest to the shareholders of B.F. Goodrich would, if successful, increase the debt of Northwest by approximately \$50 million. A B.F. Goodrich spokesman said that such a large debt and the interest charges could impose substantial financial burden on Northwest and the railroads it controls.

Ben W. Heineman, president and chief executive officer of Northwest, said he had been advised by counsel that the Goodrich petition was "wholly without merit." He said the offer to Goodrich stockholders will be made by prospectus and a registration statement will be filed with the SEC within a week to 10 days.

Males Advise, 'If Pants Fit, Wear Them'

By The Associated Press
If the pants fit, wear 'em. That's the advice the nation's males have for women who want to join the pants suit parade that's sweeping the country.

Although many men held out for the miniskirt—"I like to see a lady's legs," said one—most of those replying to an Associated Press survey gave qualified approval to women wearing pants, both for day and evening.

"They look good on girls if the girls are good looking," said Robert Winter, a Detroit businessman.

"They look great on young girls, but they're inappropriate for more mature women," said Sam T. Milliken, a stock broker from Denver. Milliken added, however, "When I take a lady out for dinner or drinks or dancing, I like to see her in a dress."

Robert Chace, city manager of Loveland, Ohio, a Cincinnati suburb, said, "I have no excep-

tions to them. In fact, I would rather see women in pants than miniskirts. God gave us an imagination . . ."

The fit, cut and cost of pants suits determines not only male approval, but also whether a woman will be accepted at many of the country's top nightclubs and restaurants.

In Hollywood, dressy pants suits are okay. Tight-fitting capri pants are outlawed. A spokesman for the Brown Derby, for example, said pants suits are perfectly acceptable in the restaurant, "but plain old slacks eat in the bar."

The Rt. Rev. Msgr. William Drumm, chancellor of the Archdiocese of St. Louis, said miniskirts are more of a problem in church than pants. "Right now," he said, "we're worrying about the highs—not the lows."

Franklin Delano Roosevelt was identified on his official inaugural medals as the 31st President of the United States. Some people hold, and some do not, that since Grover Cleveland was both the 22nd and 24th President, Roosevelt actually was the 32nd.

Valiquette Engagements Are Disclosed

Nancy Anne Valiquette (Lee's Studio)

Mr. and Mrs. Jack Porath of Rte. 2 Bark River are announcing the engagements of their daughters.

Nancy Anne Valiquette, left, is engaged to Allen Glen Porath, son of Mr. and Mrs. Robert Porath of Rte. 2 Bark River. The bride-elect is a senior at Escanaba Area High School and her fiancé is a 1967 graduate of the same school. He is presently employed by a mining company in Whitney.

June 14 has been selected by the couple as their wedding day.

Yvonne Marie Valiquette will marry Airman 1. C. Kenneth Dean Waller, son of Mr. and Mrs. F. P. Waller of Rte. 3, Ponca City, Okla. on Aug. 23.

She is a 1968 graduate of Escanaba Area High School and is presently employed at St. Francis Hospital. Her fiancé is a 1966 graduate of Ponca City Senior High School and is serving with the U. S. Air Force, stationed at K. I. Sawyer Air Force Base.

Yvonne Marie Valiquette (Lee's Studio)

Events

The Wait Watchers TOPS Club will meet at 7:30 p. m. Wednesday at the VFW Hall. Fruit and menus will be collected. It will be the last week to get into the apron contest.

Former Press Carrier Gets DAR Award

Mary Poquette, daughter of Mr. and Mrs. George Poquette, is this year's DAR award winner at Hermansville High School.

Selection of the outstanding senior girl is based on the following qualities: dependability, including truthfulness, loyalty, and punctuality; service, including cooperation, courtesy, consideration of others; leadership, including personality, self-control, ability to assume responsibility; patriotism, stressing unselfish loyalty to American ideals.

Mary was the Escanaba Daily Press Hermansville route carrier for several years.

Besides being a member of the St. Mary's Church choir, Mary is also active in school affairs. She was a junior varsity cheerleader in her freshman and sophomore years and a varsity cheerleader in her junior and senior years.

During her freshman year, she was a member of the 4-H Club, Pep Club and Student Council. She continued her 4-H Club activities in her sophomore year and was class secretary that year and in her junior year.

In her sophomore and junior years at school she won the Business Education Award. She also won the National Education Development Test Award and the American Legion Scholastic Award. She also represented her school at a citizenship seminar sponsored by the Menominee County Farm Bureau.

As a senior she serves as class treasurer and yearbook editor.

Fayette 4-H's Elect Officers

The Fayette 4-H Club met recently and the following officers were elected: Roxie LaTulip, president; Cindy LaTulip, vice-president; Patti Thill, secretary; Pam LaTulip, treasurer; Holly Briggs, news reporter; Debbie Robere, roll call.

Members selected Fayette Pioneer 4-H Club as their club name and they will participate in sewing, cooking and plant science projects.

Jackie In Greece

ATHENS, Greece (AP) — Jacqueline Onassis plans an indefinite stay in the Greek capital, reliable sources say.

Mrs. Onassis arrived here Monday aboard a yacht from her husband's private island of Scorpios.

Mary Poquette

Valentine Cake Sets The Stage

Set the scene for a Valentine's Day party for the youngsters room with lavish hearts... big ones, little ones, lacy ones and broken ones. Use a white crepe table cloth and for each place setting cut out a heart shaped place mat of red paper.

Make this a late Saturday morning party and serve a simple brunch. Of course, the show piece of this brunch should be the prettiest valentine cake you can dream up.

Start by making several layers of white cake in regular round tins. Using a pattern, trim the cake to form a heart. Pile the layers high and fill and frost with a fluffy white frosting. Outline the edge of the cake in pink. Place on a large platter and use as a centerpiece for your table.

Don't forget to provide lots of entertainment for the youngsters, too. Let the little folks enjoy a hunt for hidden hearts or plan a valentine-making contest.

Part of the largest known cave system in the world lies buried in Kentucky's Mammoth Cave National Park. Explorers have found imprints of naked feet that roamed the dark passages as long as 2,400 years ago.

Church Events

Births

PLOUFF—Mr. and Mrs. William Plouff of Rte. 1 Gladstone welcomed their first child, a son, Peter William, born at 10:09 a. m. on Jan. 27. The infant weighed 7 pounds and 5 ounces at birth. Mrs. Plouff is the former Janice Smith.

COLE—At 1:31 p. m. on Jan. 27, a son, Gregory Allen, weighing 7 pounds and 15 ounces, was born to Mr. and Mrs. Paul Cole of 222 S. 10th St., Gladstone. Mrs. Cole was Suzanne Randall.

BENOIT—A son Todd William, weighing 8 pounds and 3 ounces, was born to Mr. and Mrs. Stanley Benoit of Escanaba Rte. 1 at 2:28 p. m. on Jan. 27. The mother is the former Marilyn Jacques.

BLAHNIK — Mr. and Mrs. James Blahnik of Rte. 1 Wilson are the parents of a daughter, Ronda Marie, born at 1:40 a. m. today, Jan. 28. The infant weighed 7 pounds and 11 ounces at birth. Mrs. Blahnik was Linda Anderson.

Pennsylvania Widow Keeps Busy At 80

POTTSTOWN, Pa. (AP) — At 80, the life of Jeanne V. Gutman is accelerating at rollover speed. She finds idleness boring.

A widow since she was 59, Mrs. Gutman has a day for almost everything: On Wednesdays she helps retarded boys and girls at the Pennhurst State School. On Thursdays she conducts a nursery class at a Methodist church. On Saturdays she teaches art at a Lutheran church.

For the Jewish Women's League, of the Mercy and Truth Synagogue of Pottstown, of which she is a former president, Mrs. Gutman plans parties—"usually about six a year"—at nearby Valley Forge Army Hospital and the Coatesville Veterans Hospital.

In 1962, just past 74, she took up painting—"People seem to enjoy my landscapes and works depicting nature"—and has made 51 sales.

Three years ago, anxious for a new interest, she started taking violin lessons.

Mrs. Gutman moved to Pottstown three years after her husband died in Stroudsburg, Pa., where the couple owned a Pocono Mountains resort hotel.

She quickly leaped into volunteer work, taking on the nursery post first. Through affiliation with the Pennsylvania Association for Retarded Children, this led to Pennhurst where she teaches speech therapy.

"The youngsters are so appreciative," she says. "Whenever one of them has a birthday, I bring a cake and order sodas and we have a party. They really enjoy it."

Isabella Circle Social Held

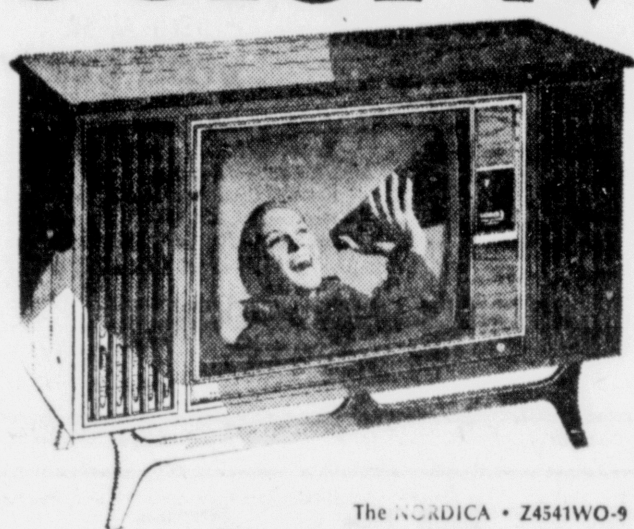

The regular social gathering of Trinity Circle 362, Daughters of Isabella, was held Monday at the Teamster's Hall with 100 members attending. Mrs. John Cass and her committee were in charge of arrangements.

Cards of the players' choice today, Jan. 28. The infant weighed 7 pounds and 11 ounces at birth. Mrs. Blahnik was Linda Anderson.

MANISTIQUE

Council OKs Option In Recreation Proposal

The City Recreation Board Monday was given approval to take an option on the former Hewitt Grocery Co. building and property on N. Maple St. as part of its proposed recreation development program.

City Council took action on City Recreation Director Richard Bonifas' request for a \$500 option appropriation at Monday night's meeting. The money will come from the city parks and recreation fund and not from the centennial-armory fund.

Purchase price of the 600 by 150 foot piece of property is \$10,000, if the option exercised before the end of September. Title to the property is held by the State Savings Bank of Manistique.

Last Dec. 9, the Recreation Board and an armory committee clashed verbally at a council meeting over ownership of a fund, valued in excess of \$8,000 including interest, which the city has controlled since 1960.

Earmarked Funds
The money was given to the city by a centennial committee and earmarked for a new armory, should a building program materialize. Recreation was to be the recipient if the armory program did not develop.

The clash over control of the fund came when recreation presented a plan for park and recreation development in the city and said it needed the money to qualify for federal funding.

Recreation was the winner with council agreeing that the money should go to further its ruling by placing a nine-month limit on the recreation department presenting plans and obtaining federal funding for the expansion program, all subject to council approval.

Discouraging Note
City Manager Robert Noe reported receiving a letter from Sen. Philip A. Hart (D-Michigan), dated Jan. 21, in which

Forced Entry Into Cabin, Home

State Police are investigating two breaking and enterings in the Schoolcraft County area which were reported over the weekend.

A caretaker reported that a home in Gulliver owned by Eugene Calvert of Gulliver and Ft. Lauderdale, Fla. was entered sometime since December. No malicious destruction was reported and state police are unable to determine if any articles are missing. The Calvert home is located on county road 434 in Doyle Township. Entry was gained by cutting a window screen.

A cabin on county road 453, Hiawatha Township, was entered sometime in the past two months with entry gained by forcing a rear door. State Police said the cabin is owned by Nanford Nickerson of Bridgeport. The breaking and entering was reported on Sunday.

Hospital

Admitted to Schoolcraft Memorial Hospital were Oscar Peterson, Pauline Marquette, Arlene Tufnell, Hilmar Larson, Lillian Hough, Paulette Demers, Sally Goudreau, Charles Holbrook, Brenda Lemirand, Margaret Larson, Sandra Jenerou, Don McCarrick, Scott Nelson and David Heinz.

Discharged were William Martin, Robert Freeman, Clay Stevens, Paul Guertin, Paulette Demers, Earl Weber, Baby Weber, Cherie Varner and baby, Elizabeth Losey, Mary Gorshel and Helen Williamson.

Schoolcraft County EVENTS AND NOTICES

The WSCS will sponsor a pasty sale Thursday, Jan. 30, at the United Methodist Church and Gamble store. Phone advance orders to 341-5491 or 341-5812.

Folk music group will meet Wednesday, Jan. 29 in Room 308 of the Central Junior High at 7:30 p. m. If you like to sing or play an instrument, come join the group. Call 341-5749 for further information.

Garden Peninsula Birthday Club

The Garden Birthday Club met at the Randall McPhee home Friday evening honoring Diane McPhee and Yvonne Rochefort. Mrs. Barry Rochefort was a guest of the evening.

Birth

Mr. and Mrs. Carl (Dorothy Gray) folio announce the birth of a granddaughter, Lynn Nichole, weighing 8 pounds and 2 ounces on Jan. 16 at Centerline, Mich. Parents are Mr. and Mrs. Eric Folio.

Wendy Allen, daughter of the Ray Allens of Fairport is home for the vacation after completing semester tests at St. Luke's School of Nursing in Marquette. She will return to her studies on Feb. 2.

PTO Meets

The Big Bay de Noc PTO met at the Garden School Thursday evening. Carl Van Remortal spoke on the progress of the new school and final plans were approved. Superintendent Frank Stupak discussed the Title I program and a committee was organized from Garden, Cooks and Nahma communities to evaluate the program and Title 1. The next meeting will be held Feb. 20 at the Cooks School.

The Garden Library which has been closed due to bad weather is now open. Mrs. George Coppess also announced that new books are expected this week.

Mr. and Mrs. George Coppess have returned to their home here after visiting their daughter and family. Mr. and Mrs. Robert Rush of Ionia, Mich. They spent two weeks in Puntagorda, Fla. with Mr. and Mrs. Fred (May) Reahm.

Their son, David and family who had taken care of their farm during their absence, have left for Yankton S. D. where David will manage the state park there. David graduated in December from Michigan State University with a Bachelor of Science degree.

Mrs. Joe Ouradnik is recuperating at her home here after undergoing eye surgery at St. Luke's Hospital in Marquette. Miss Marie Ouradnik of Escanaba visited them this past weekend.

Council also made plans to attend a joint session with the Escanaba council in Escanaba on Feb. 6.

Military 'Sufficiency' Is Nixon's Preference

WASHINGTON (AP) — President Nixon's preference for the term "sufficiency" rather than "superiority" as his standard for U.S. military power may be an attempt to improve the climate for U.S.-Soviet arms control talks.

But it is likely to provoke debate over what constitutes "sufficiency."

At his first news conference Monday, Nixon appeared to ease the hard stand he took during his campaign last fall.

Without abandoning superiority,

Her Dentist Lost His Cool

LOUISVILLE, Ky. (AP) — Mary E. Curtis apparently isn't having any more problems with her dental bridge, but if she has her way the solution will cost her dentist \$10,150. She filed a suit for that amount in court Monday, asking the damages from her dentist. She said her complaint that the bridge caused discomfort caused the dentist to throw it on the floor, stamp on it, break it and declare: "The bridge is now fixed so you won't have any more trouble with it."

Social

Bridge Club
Mrs. Russell Fagan entertained her bridge club Thursday evening at her home on Oak St. Prizes were awarded Mrs. William Hentschell, Mrs. Barney Johnson and Mrs. Ralph Williams. Mrs. Johnson and Mrs. William Howe were guests of the bridge club.

Church Events

First Baptist Church

Mid-week Bible study will be held Wednesday at 7:30 p.m. Those attending are asked to bring a Bible and red pencil.

On Sunday at 9 a.m. Judson Choir will rehearse.

Observance of Holy Communion will be at the 11 a.m. worship service on Sunday, Feb. 2.

ty as a goal the President said "I think 'sufficiency' is a better term."

Pentagon officials said the Russians have been implying publicly that U.S. emphasis on nuclear superiority makes it difficult for them to negotiate on arms control.

Inferior Status

Nixon may have had this in mind when he told reporters:

"When we talk about superiority, that may have a detrimental effect on the other side (meaning the Russians) in putting it in an inferior position and, therefore, giving great impetus to its own arms race," Nixon said.

The new President expressed his administration's goal this way:

"Our objective is to be sure that the United States has sufficient military power to defend our interests and to maintain the commitments which this administration determines are in the interest of the United States around the world."

This had a decidedly less strident tone than Nixon's campaign statement that "we must maintain our military strength at a level so that we can talk equally with them, and I would hope from a superior standpoint."

Consistent

Secretary of Defense Melvin R. Laird told the Senate Armed

Births

GOUDREAU — Mr. and Mrs. Steven Goudreau, Gulliver, are the parents of a baby girl born Sunday, Jan. 26, at the Schoolcraft Memorial Hospital. The infant weighed five pounds and seven and one-fourth ounces. The mother is the former Sally Lee.

DEMERS — A baby boy, weighing five pounds and seven and one-half ounces, was born to Mr. and Mrs. Douglas Demers, 627 Arbutus Ave. on Sunday, Jan. 26, at the Schoolcraft Memorial Hospital. Mrs. Demers is the former Paulette LaPorte.

Sirhan's Defense Objects To Jury

LOS ANGELES (AP) — Sirhan Bishara Sirhan's murder trial resumes Wednesday with the defense's challenge of the grand jury that indicted the 24-year-old Jordanian on a charge of murdering Sen. Robert F. Kennedy.

Defense attorney Grant Cooper is expected to introduce evidence to support his contention that the grand jury is improperly chosen and fails to represent a broad cross-section of Los Angeles County residents.

The trial was recessed Friday after a tentative jury of eight men and four women was chosen from 60 persons questioned by attorneys and Superior Court Judge Herbert V. Walker.

Sirhan is accused of shooting Kennedy in the Ambassador Hotel last June 5 shortly after the New York Democrat proclaimed victory in California's presidential primary election.

On The Sidelines

With Mike Utt

The Central League basketball game between Big Bay de Noc and Trenary Friday produced what has to be one of the most unusual oddities of the 1968-69 U. P. season. Trenary was trailing by eight points when the third of seven men on the team fouled out of the game, leaving the Comets with only four players on the floor. Big Bay de Noc eventually won the game, 71-51.

"Trenary played better," commented Dave Pelletier, Big Bay de Noc basketball coach, "and they actually gained on us with four men." Big Bay came from a 37-33 deficit at halftime to take the lead in the quarter and were never headed from that point and led by as much as eight to ten points during that time.

Deane Kent, former L'Anse High School and All-State basketball player, is playing again with Dawson Junior College in endive, Mont., after being sidelined earlier in the season with knee injury that required surgery.

Baraga High School set a school point production record Friday night when they notched a 103-82 victory over Dollar Bay in a Copper Country Conference contest. Gary Moberg, one of the U. P.'s top scorers this season, paced the Baraga team with 31 points including a perfect nine for nine performance at the free throw line.

The new gymnasium at Menominee High School may be available for the final two games of the current basketball season. Menominee is scheduled to play host to Marinette on Feb. 22 and Escanaba on Feb. 28 in its final two games. Students at Menominee will not move into the new senior high school until September of the 1969-70 school year.

Going into the Lakeland game Saturday night, five former U. P. basketball players on the Northern Michigan University basketball squad had contributed 226 of the team's 657 rebounds and 352 of the Wildcats' 1012 points. Al Inkala, who played at Wakefield leads the U. P. players with 113 rebounds and 188 points. Also playing on the team from U. P. schools are Bill Zhulkie, Ishpeming; Doc Jacobetti, Negaunee; and Gerry Gerard, L'Anse. Paul Miller of Escanaba, whose totals are also included, is no longer on the team and has dropped out of school.

Leo Donovan of St. Ignace continues to lead the Michigan Iron Shore Conference in the scoring department with a total 157 points in seven games for a 22.3 average. Donovan has 66 field goals and 24 of 30 free throw attempts. The Saints are only U. P. team in the conference, lead the standings with 9-0 mark.

Going into the match with Concordia College Saturday night at Houghton, Tom Brayak of Escanaba has compiled a 2-1 record in three matches for the Michigan Tech wrestling squad. Tech's next match is scheduled tonight against the University of Wisconsin-Milwaukee at Houghton.

Inbeaten Bruins Again Unanimous

By The Associated Press
The powerful UCLA Bruins, in a unanimous choice for top place in The Associated Press' major college basketball poll, take on two teams with opposite records when they return action on the West Coast this weekend.

Norsemen Drop 7-73 Contest

GREEN BAY—After playing for the first 17 minutes, St. Norbert's Junior Varsity broke away with about three nutes remaining in the first half and went on to register a 73 victory over the Bay de Noc Community College Norsemen last night.

The lead was tied five times during the first 17 minutes of the half before St. Norbert's broke away and took a 53-36 lead into the dressing room at time. In the second half, Norbert's outscored the Norsemen, 46-37.

Frank McGuire's South Carolina Gamecocks are the only new additions to the rankings. They took over 19th place while Notre Dame dropped out altogether.

Purdue, a 102-79 winner over Minnesota, also gained considerable ground. The Boiler-makers, 103-, moved up four places to 14th.

The Top 20 with first place votes, season records through games of Saturday, Jan. 25 and points for the first 15 picks on a 20-18-16-14-12-10-9-8-etc. basis:

OUR BOARDING HOUSE with Major Hoople

OUT OUR WAY

by J. R. Williams

GLADSTONE

Gladstone To Begin Own Garbage Service

Garbage service will be rendered by the City of Gladstone beginning Feb. 1.

The City Commission Monday night rejected two bids on garbage collection and took action to purchase the equipment needed to perform the service.

A bid from U.P. Disposal Co., Sault Ste. Marie, in the amount of \$42,000 annually for a five-year period to collect garbage and operate the landfill site and another from Rudolph Valencic of Gladstone in the amount of \$10,900 annually for garbage collection only with the stipulation that the city purchase a truck he could rent with an option to purchase were rejected.

City Manager H. J. Henriksen said that equipment needed to operate the program could be purchased for about \$30,000, some \$18,000 to \$20,000 for a bulldozer and about \$11,000 for the garbage truck.

Using city crews, Henriksen estimated an annual cost of \$13,000 to operate the service.

Limit Fire Calls

Henriksen said work could be done temporarily with existing equipment and bids for new equipment will be sought immediately.

The Council also said the Gladstone fire fighting equipment will not be permitted to answer calls from townships which have not entered into a financial agreement with the city. In the past, these calls have been answered but the commission took action to prohibit further service to non-contract areas.

The Commission also approved an ordinance to make Social Security available to city firemen. Under the new system, families of the firemen will receive benefits, while under the former retirement system only the employee was covered.

Five per cent of a fireman's salary has been paid into the retirement fund and this will be reduced to three per cent, plus the regular social security deductions.

In other business, the commission authorized the city manager to act as legislative contact person and recommended the commissioners and the city manager attend the state legislative conference in Lansing Feb. 19-20. A conflict of dates was noted, since bids for

Five Servicemen Lost In Vietnam

WASHINGTON (AP) —Five Michigan men were among the list the Defense Department released Monday of 70 U.S. servicemen killed in combat in Vietnam.

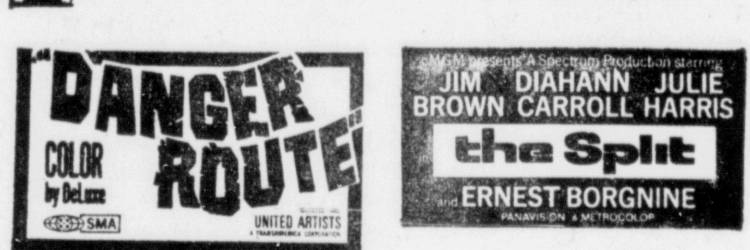

Three Army casualties included Sgt. John N. Cottrell, husband of Sandra L. Cottrell of Vanderbilt; Spec. 4 Douglas M. Cady, son of Mr. and Mrs. Lawrence F. Cady of Flint and Pfc. Westley R. Potter, son of Roy J. Potter of Alma.

Marines killed were Pfc. Michael A. Radziecki, son of Mr. and Mrs. John J. Radziecki of Warren, and Pfc. Mark A. Taylor, son of Mr. and Mrs. Jack S. Taylor of Allen Park.

In Service

Staff Sgt. Ronald M. Schafer, son of Mr. and Mrs. Douglas J. Schafer, 738 N. 15th St., Gladstone, is on duty at Nha Trang AB, Vietnam. Schafer, a vehicle dispatcher, is a member of the Pacific Air Forces. Before his arrival in Vietnam, he was assigned at Ellsworth AFB, S. D. The sergeant attended Gladstone High School.

GLADSTONE

TOP OF HIS CLASS — Warrant Officer, W-1, Nicholas W. Montgomery, second from left, Distinguished Graduate of the Warrant Officer Rotary Wing Aviator Class which graduated Tuesday (Jan. 14) at Ft. Rucker, Ala., has his new wings pinned on by his wife, Lynn. He is the son of Mr. and Mrs. Wilbur F. Montgomery of Gladstone, Mich. His next assignment will be at Ft. Stewart, Ga., to attend the four-week AH-1G "Huey Cobra" Transition Course. He then goes to the 1st Cavalry Division (Airmobile) in Vietnam. (U. S. Army Photo)

Pontiac Officials Refute Report

PONTIAC (AP) — Pontiac police chief William Hanger Monday refuted allegation by the Michigan Civil Rights Commission (CRC) that "police-community relations is one of the most critical problems facing the city."

The commission made public Monday a report of five days of hearings at Pontiac last June. It concluded that Pontiac was a city "divided by racial and ethnic prejudices" with Negroes and Latin Americans excluded from full participation in employment, housing, education and social services.

The CRC also presented 60 recommendations, including 17 suggestions for improving law enforcement. Hanger rebutted all 17.

Pontiac City Manager Joseph Warren said many of the 60 recommendations were obsolete and that "we in Pontiac have made great strides over the past 7½ months" since the hearings.

Hanger said the "police department, instead of being condemned, should be commended."

He disagreed with the commission's finding that the "black community does not trust the police department and the department has done little to improve the situation."

Regarding a commission recommendation that the police department establish a community relations program, Hanger discussed the department's various community projects and said only 33 complaints were made to the CRC about police out of a total of more than 300,000 police contacts with citizens since 1965.

He also said his department has a procedure for handling citizen complaints and that all complaints were investigated.

Warren said the city commission has directed that Negro applicants for police jobs be tested for immediate hiring, although

the quota for new officers has been filled.

The city manager said that many of the CRC recommendations had been implemented by the city. For example, he said bus service has been running downtown Pontiac and the Oakland County Service Center since Nov. 11. The commission criticized the lack of public transportation to the county welfare office.

He also noted in regard to a suggestion that Pontiac strengthen housing code enforcement that a special division had been created to do so.

In Memoriam

Lantagne

In loving memory of our dear husband, father and grandfather, Arthur Lantagne, who passed away five years ago, January 28, 1964.

Your memory is a keepsake with which we will never part. Though God has you in his keeping we still have you in our hearts. Often a lonely heartache, And many a silent tear, But always a beautiful memory, Of the one we loved so dear.

Sadly missed by Wife, Children and Grandchildren

Micheau

In loving memory of Gordon Micheau who passed away three years ago, January 28, 1966.

Somewhere back of the sunset, Where loneliness never dies, He lives in the land of glory, Mid the blue and gold of the skies. Gone from us who loved him, Into heaven to rest, The home of our loving Savior, Sweetly his soul to rest, His life is a beautiful memory, His absence a silent grief, He sleeps in God's beautiful garden, In the sunset of perfect peace.

Sadly missed by Wife, Children, Grandchildren Brothers and Sisters.

Believes 'Junk Mail' Is Unfair

ITHACA, N.Y. (AP) — A postman who refused to deliver "junk mail" because he felt rates on it were unfair to taxpayers "who didn't want the stuff anyway" is convinced that now "President Nixon couldn't save my job."

John Stark, whose protest was reported last month, had support from across the country. Some congressmen had asked the Post Office Department for clemency.

But the mailman, a 10-year veteran, said he has been notified that his appeal from acting Postmaster James R. Graves' discharge order of Dec. 18 had been denied. He has 15 days to appeal directly to Washington — "time to look for a job" — but, "I'm convinced that President Nixon couldn't save my job, so it's just a matter of accepting the facts."

Stark has remained on the job pending the outcome of the appeals.

Michigan College Receives Plane

TRAVERSE CITY (AP) — The first of two Navy twin-engine Beechcraft planes destined for Northwestern Michigan College is scheduled to arrive here this week, with the second due to be flown in next week. The planes, valued at more than \$30,000, were purchased from the Navy for use in the college's aviation program.

Escanaba Daily Press Readers: Special INTRODUCTORY OFFER brings you as much as

\$10,000.00 EXTRA INCOME

WHENEVER YOU GO TO THE HOSPITAL

—Only 25¢ enrolls your entire family for the first month

- ★ Pays in addition to all other coverage you have—including Medicare
 - ★ Pays up to \$10,000.00 tax free cash for each hospital stay
 - ★ Pays \$100.00-A-WEEK cash each time you go to the hospital... even up to 100 weeks
 - ★ Pays you cash benefits that increase each year... to a maximum of \$130.00-A-WEEK... at no extra cost to you!
 - ★ Pays all cash direct to you (not to doctor or hospital)
 - ★ No age limit—no medical examination required
 - ★ No salesman will call
- ACT NOW—YOUR ENROLLMENT FORM MUST BE MAILED BY MIDNIGHT SAT., FEB. 1, OR IT CANNOT BE ACCEPTED**

One out of two families will have someone in the hospital this year! It could be you—or some beloved member of your family tomorrow...next week...next month. Sad to say, very few families have anywhere near enough coverage to meet today's soaring hospital costs. These costs have tripled in just a few short years. They are expected to double again in the few years ahead.

Stop for a moment. Think how much a long stay in the hospital will cost you or a loved one. How would you ever pay for costly, but necessary, X-rays, doctor bills, drugs and medicines? What would you do if your pay check stopped, but living expenses kept going on the same as ever? The same rent, phone, food, all the day-to-day expenses that never stop.

What is the average breadwinner to do? We believe we have the answer in the famous Presidential Extra Cash Plan that

... Pays you \$100.00 a week tax-free cash when you go to the hospital.

What a blessing it is when you know you have an extra \$100.00 cash coming in every week—beginning the very first day you enter the hospital.

Now, Presidential's economy plan enables you to enjoy this protection at once. Because it will NOT cost you \$20.00. It will NOT cost you \$10.00—or even \$5.00. Your special low price is just 25¢ for the first month's coverage for your entire family. Then continue at low Presidential rates.

Your cash benefits increase each year—at no extra cost to you!

And what peace of mind not to worry about rising costs. Your protection automatically increases \$3.00 a week each year. The first year you get \$100.00 a week. You get \$103.00 a week in the second year. \$106.00 a week in the third year. \$109.00 a week in the fourth year. By the eleventh year, your policy will be worth a full \$130.00 a week in benefit payments... at no increase in cost to you! This generous cash reserve protection will belong to you for as long as you keep the policy. You can see that your insurance will be worth much more than the present "face value" of the policy. Certainly, our increased payments to you will help keep pace with rising costs and—best of all...

... The increasing benefits come to you at no extra cost.

You still pay the regular low Presidential premium! What other Plan protects you like this today? What other Plan keeps protecting you against rising living costs in the years ahead without increasing your premiums? And that's not all. This special Presidential Extra Cash Plan (#HP 18L-1067)...

... Pays you \$100.00 a week CASH for a registered nurse at home.

Yes, in addition to the \$100.00 weekly checks we send you during your hospital stay, we pay you an extra \$100.00 a week if the doctor says you need a full-time registered nurse to take care of you at home.

How comforting it is to know that—after your stay in the hospital, if you've been there three days or more, you can return

IF YOU ARE 65 OR OVER YOU WILL COLLECT \$70.00-A-WEEK IN ADDITION TO MEDICARE

Why are smart folks over 65 now hastening to protect themselves with the Presidential Extra Cash Plan in addition to what Medicare will do for them?

Even though Medicare is a great boon to folks over 65, it will not, of course, pay all the bills that quickly pile up as a result of illness or accident.

Regardless of your age, you still need additional health protection.

We have designed this plan as the important addition to what you receive from Medicare—or any other health insurance you may have. Remember, all checks will be sent directly to you (not to the doctor or hospital), to give you that "extra" help just when you need it most.

Use the tax-free cash any way you see fit. And you will be glad to know the checks will be *big ones*! In addition to what you receive from Medicare, Presidential pays you \$70.00 a week... EVEN FOR 100 WEEKS if necessary!

You can receive as much as \$7,000.00 for each illness or injury when hospitalized!

home to recuperate and yet not be a burden to your loved ones. Yes, if your doctor says you need a registered nurse full time within 5 days after you come home, we'll send you checks for \$100.00 a week—for as long as you need the nurse—even up to 50 weeks. It's like having a reserve of \$5,000.00 cash to draw on when you need it. These benefits also increase each year by \$3.00 a week. Another exceptional feature you have with Presidential...

... Pays you \$100.00 a week cash maternity benefits—up to 100 weeks for each hospital stay!

Ordinary hospital insurance may take care of part of your expenses when you go to the hospital to have a baby. But what policy can you think of that gives you cash to buy all the things you need for the new baby? Now, if both husband and wife are insured in the wonderful Family Plan With Maternity for the entire period of the pregnancy, you get extra cash to use any way you want. If a pregnancy, childbirth or even miscarriage puts you in the hospital for one day, five days, 10 days—as long as necessary—you get \$100.00 a week for every day of your confinement, up to 100 weeks.

All these added cash benefits.

Yes, in addition to \$100.00 a week for hospitalization or \$100.00 a week maternity benefits and \$100.00 a week for a registered nurse at home... you get all this:

Added cash benefits: \$1,000.00 cash to your family if death occurs within 90 days from any accidental injury. Think of how handy the cash can be in time of loss. It can take care of burial expenses without burdening your loved ones.

Added cash benefits: Up to \$2,000.00 cash for accidental loss of limbs or eyesight, when the loss occurs anytime within 90 days of the accident. The loss of a limb or eyesight is a terrible thing. Nothing can replace the loss, but a check for \$1,000.00 or \$2,000.00 brings peace of mind during the period of adjustment.

Added cash benefits: Choose either Family Plan... and your children will be covered too! Presidential pays up to \$5,000.00 any time your youngster goes to the hospital... for tonsils, appendicitis, or any other illness or injury! Yes, you will receive \$50.00 cash, week after week—for as many as 100 weeks, if necessary.

We pay your premiums when you are not able.

As a special consideration to you—if you are hospitalized just 6 weeks or more, all premiums that come due while you are still in the hospital after this period will be paid by Presidential. And your protection continues as if you were paying the premiums yourself! Then if you leave the hospital and must return for the same condition before you have resumed full normal activities for 90 days, Presidential will again PAY ANY PREMIUMS WHILE YOU ARE IN THE HOSPITAL—TO A MAXIMUM OF 100 WEEKS per confinement! This means you pay no premiums, yet your full protection remains in force—you collect up to \$10,000.00 for each confinement!

THIS LIMITED ENROLLMENT OFFER ENDS SOON Only 25¢ for First Month—Money-Back Guarantee.

You can now have your first month's protection for your entire family for only twenty five cents! But you must act immediately. Your request for this wonderful Income Protection

Plan must be mailed on the convenient Enrollment Form NOT LATER THAN MIDNIGHT of the date shown.

This midnight expiration hour cannot be extended. If your enrollment form is mailed later, it cannot be accepted.

These are the ONLY exclusions!

Your Presidential policy covers every conceivable kind of sickness or accident except conditions caused by war or any act of war; mental disorders; intoxicants and narcotics; where care is in a Government hospital; pregnancy except as provided under the maternity benefit provision; and expenses resulting from any sickness or injury you had before the Effective Date of your policy... during the first 2 years only.

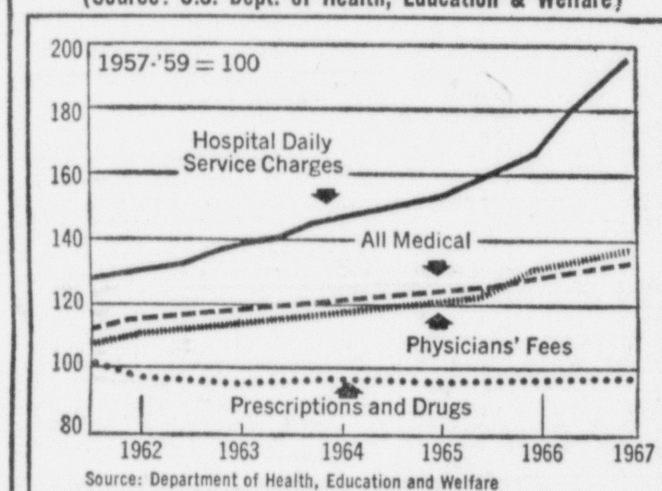

This last item is a real help if you already have a health problem. If you are sick before you take out this policy, you will still be covered for that condition after the policy has been in effect for 2 years. Meanwhile every new condition is covered.

How can 25¢ buy so much?

You can buy ordinary insurance at any time and pay the regular rates, if you wish. But Presidential can now provide you and your entire family with tax-free Income Protection for just 25¢ the first month only because we enroll a large number of people at one time—direct by mail! This highly efficient "Mass Enrollment" method cuts costs to the bone—and the savings are passed on to you!

Medical Costs Skyrocketing!

(Source: U.S. Dept. of Health, Education & Welfare)

Social Security Bulletin, July 1967

Govt. figures reveal your present health protection... may no longer protect you against today's rising medical costs! Don't leave your loved ones defenseless! Act at once to add up to \$10,000.00 to your health protection for only 25¢ for entire family.

Make your decision carefully.

Think how costly a hospital confinement will be. Imagine paying for those indispensable X-rays, doctor bills, medicines and drugs that are not covered by your present insurance.

Would you be able to afford the quiet and privacy of a private room and a private nurse, should you so desire? Or a telephone to keep in touch with loved ones? Or the rental of a TV set to help pass the lonely hours? Who would pay your bills that keep on coming in at home? Many folks have lost their life savings, their cars, even their homes trying to meet such expenses. And no one knows whose turn it will be next.

Why you must act before the deadline date shown on your enrollment form—just a few days from today.

Why do we give you so little time to apply for your insurance policy—only a few days? Because, as mentioned above, we must receive your Enrollment Form the same time as all the others in order to pass on to you the savings that come from processing many policies at one time.

We mail you the policy as soon as we receive your Enrollment Form. When the policy arrives, examine it in the privacy of your own home. Take all the time you need. It's a very short document, and you'll be pleasantly surprised to discover there is NO FINE PRINT. Then—show it, if you wish, to someone you trust. Perhaps your lawyer, accountant, or banker. Better still—show it to your own insurance man... even though he may very well be working for another company! If he is a personal friend, he has your best interests in mind. So you can believe him when he tells you there is no better bargain available anywhere—at any price!

Money back guarantee—in case you change your mind.

Even after you mail your Enrollment Form below... even after you examine the policy in your own home and talk it over with anyone you wish... even after all this you are still free to return the policy within 15 days and your quarter will be refunded at once. There will be no obligation whatever.

Meanwhile, all during the 15 days you are making up your mind—you'll be protected by \$100.00-A-WEEK extra cash benefits just as if you had already said "yes." That's right, you will be fully covered all this time for any accident which puts you in the hospital, even if you finally decide to return the policy.

However, after you've seen the policy for yourself, you will surely agree that this is a tremendous value and you'll want to continue this \$100.00-A-WEEK extra cash protection under the Plan that's best for you.

PLAN I—INDIVIDUAL(S) ONLY PLAN:

If you want to cover yourself—or yourself and one or more adult dependents (including your spouse)—then this is the Plan for you. Each person must be 18 or over, and shall pay (per person) the rate applicable to his or her age. NOTE: Where there are no dependents, PLAN I is the most economical to choose for a husband or wife (or both).

Age at Enrollment	Monthly Premium
18-39	only \$3.95
40-49	only \$4.95
50-59	only \$5.95
60-74	only \$6.95
75 and over	only \$8.95

PLAN II—FAMILY PLAN WITH MATERNITY

This plan is for the family that is still growing. To the total of the monthly premium for the adults to be insured, just add \$5. This entitles you to all maternity benefits. It also covers all

THESE 23 QUESTIONS AND ANSWERS

Tell us how Presidential's COST OF LIVING INCOME REPLACEMENT HEALTH AND ACCIDENT PLAN gives you the protection you need—at amazingly low cost!

1. How much will my policy pay me when I go to the hospital? You are paid \$100.00-A-WEEK cash every single week. And it starts the very first day you are in the hospital. If you are over 65, you are paid \$70.00 a week, in addition to any Medicare benefits you receive. You are paid \$50.00 a week up to 100 weeks every time your children go to the hospital when you are enrolled in the Family Plan.

2. Will I be paid if I am hospitalized for less than a full week? You certainly will... regardless of whether you are in the hospital for as short a time as one day... or as long a time as a week, month, year or more.

3. Does the Plan pay you from the first day of hospitalization? Yes! You receive full cash benefits of \$100.00 a week starting the very first day you enter the hospital. The coverage begins when we accept your completed Form and 25¢—that is the day you and your loved ones are covered for any accidents. Sickness coverage begins 30 days after the effective date of the policy.

4. How much do I receive for a Registered Nurse at Home? \$100.00-A-WEEK for up to \$5,000.00 after you have been hospitalized for 3 days or more, and your doctor has you employ a full-time registered nurse within 5 days after you leave the hospital. Ten years from now it will have increased to \$130.00 a week in benefits... at no extra cost to you!

5. Are there any accidental death benefits? Yes. \$1,000.00 cash is paid to your estate when death occurs any time within 90 days of an accident.

6. Will I be paid extra if I lose a limb or eyesight? Yes. Presidential pays \$1,000.00 for complete accidental loss of one hand or one foot or sight of one eye; \$2,000.00 for loss of both hands or both feet or sight of both eyes... when dismemberment occurs anytime within 90 days of the accident.

7. How much do we receive for pregnancies? If you have the Family Plan With Maternity, you receive \$100.00-A-WEEK for as long as 100 weeks for each pregnancy, childbirth or miscarriage that results in hospital confinement when both husband and wife are enrolled under this plan for the entire period of pregnancy.

8. Suppose I am paid benefits for any sickness or accident. What happens if I am again hospitalized for the same condition? Don't worry. You still collect \$100.00-A-WEEK for a total of 100 weeks. And if you have already resumed full normal activities for just 90 days, it's considered a new confinement, and you can collect for an additional 100 weeks. Of course, any new condition is covered immediately for a full 100 weeks.

9. How may I use these benefit payments for hospital and doctor bills, rent, food, household expenses, or anything else. This is entirely up to you.

10. May I apply if I am over 65? Yes, you may. Folks age 65 and over are welcome to apply—there is no age limit. Members 65 or over are paid \$70.00 a week plus all Medicare benefits.

11. Can I collect from Presidential even if I carry other insurance? Of course. This plan will pay you in addition to whatever you may receive from any other policies, including Medicare for folks over 65.

12. Why do I need this Presidential Plan in addition to my other hospital and health insurance? While hospital costs have tripled in recent years, very few people have tripled their insurance. The chances are one in seven that you will need money to take care of all your other expenses, as well as your hospital bills. Your Presidential checks are rushed to you by air mail to use as you see fit.

13. What benefits do my eligible, dependent children get? If you choose a Family Type Plan, your dependent eligible children, ages 3 months to 19 years, would receive 50% of all the cash benefits of the basic Plan (excluding Waiver of Premium).

14. May I add future dependent children to my policy after it is in force? Yes, indeed. If you have the FAMILY PLAN WITH MATERNITY. Just notify us when they are 3 months old and they will be covered without evidence of insurability and any additional charge.

15. Will my protection be cancelled because I have too many claims? No, definitely not! Presidential guarantees never to cancel your protection because you have too many claims or because of advanced age. We also guarantee never to refuse to renew your policy unless the premium is not paid before the end of the 31-day grace period, or unless renewal is declined on all policies of this type in your entire state. (Of course, if deception is used in making application, the policy may be ineffective.)

16. My rates be raised as I grow older or if I have too many claims? No matter how many claims you have, or regardless of how long you keep your policy, your rate will remain the same as it was for your age when you applied. Presidential guarantees never to adjust this rate unless the rates are adjusted on all policies of this type in your entire state.

17. What is not covered by this policy? The only conditions not covered are those caused by: mental disorders; intoxicants and narcotics; where care is in a Government hospital; expenses resulting from any sickness or injury you had before the policy Effective Date (during the first 2 years only); act of war. EVERYTHING ELSE IS COVERED—including pregnancy when both husband and wife have been enrolled in the FAMILY PLAN WITH MATERNITY for the entire period of pregnancy.

18. What are the requirements to enroll in one of the Presidential Plans? You must not have been refused any health, hospital or life insurance; and, to qualify during this enrollment period, you must enroll before midnight of the date in the coupon.

19. Why is this offer good for a limited time only? Because, by enrolling a large number of people at the same time, underwriting, processing and policy issuance costs can be kept at a minimum—and we can pass these savings on to you.

20. Besides the savings, are there other advantages to joining Presidential during this enrollment period? Yes, there certainly are. A very important one is that you do not need to complete a regular application—just the brief enrollment form in the lower left hand corner of this page. Also, during this enrollment period there are no other requirements for eligibility—and no "waivers" or restrictive endorsements can be put on your policy!

21. Can other members of my family take advantage of this special offer? Yes, as long as they can meet the few requirements listed under Question 18.

22. How does the money-back guarantee work? Examine your policy carefully in the privacy of your own home. If for any reason you are not completely satisfied, return it within 15 days, and we will promptly refund your money. Meanwhile you will be fully protected while making your decision!

23. How do I join? Fill out your brief enrollment form and mail it, with just 25¢ for the first month's protection for your entire family. Mail to: The Presidential Life Insurance Company of America, 11401 Roosevelt Blvd., Philadelphia, PA. 19154.

your unmarried, dependent children between the ages of 3 months and 19 years who live at home. Future dependent children will be covered when they reach 3 months of age and without any additional charge.

PLAN III—FAMILY PLAN WITHOUT MATERNITY

This plan is for the family that is no longer growing. To the total of the monthly premium for the adults to be insured, just add \$3. With the exception of children yet-to-be-born, PLAN III covers all your unmarried, dependent children between the ages of 3 months and 19 years who live at home.

NOTE: The regular Monthly Premium shown here (for your age at time of enrollment) is the same low premium you will continue to pay; it will not automatically increase as you pass from one age bracket to the next. Once you have enrolled, your rate can never be changed because of how much or how often you collect from us—or because of advanced age—but only if there is a general rate adjustment, up or down, on all policies of this type in your entire state.

Act now—"later" may be too late!

TIME IS PRECIOUS! Act quickly. (No salesman will call.) Get your enrollment form into the mail today—because once you suffer an accident or sickness, it's TOO LATE to buy protection at any cost. The sooner you mail your enrollment form, the sooner your protection starts. That's why we urge you to act today—before anything unexpected happens.
